ALL THE FUN OF THE FAIR Lasts From Tuesday to Thursday of Next Week, September 2 to 5 Inclusive

LOOKING FORWARD TO

Visitors from out of town will join with local people in making the annual fall fair the big event of next week. It will be a week of jollification for all except local merchants who have to keep open to supply the needs of the visitors.

The fair board under the able leadership of W. H. Sherman, president of the board, has been working hard to make the entertainment suitable to the occasion. For four days there will be something important doing each day and every evening the sideshows will be catering to hundreds who like that form of enjoyment.

The big event outside the exhibition proper will be the big baseball games between the Vancouver Athletics and the Prince Rupert team. Never before has such a team as the V. A. C.'s visited the city. Everyone will want to see it perform and note how the local boys stack up against the visitors.

Other sports include lacrosse, football, a marathon fivemile race, and the finals for the Hanson Cup in track races. If the weather only holds good it will be the greatest sports

week on record. Inside the building some splendid entertainment has been provided for each evening, and on Friday night there

will be the grand ball. There will be a number of new features among the exhibits, including the display of flowers for which big prizes are being offered.

The Indian totems put in by George Cunningham of Port Essington will be an exhibit of the very finest native carving, work that cannot be secured today.

Tea rooms will be operated inside the building where visitors may rest and enjoy a little light refreshment! without going down town. Everything possible is being done to provide for the convenience of the visitors.

The famous Greenville Band will be here throughout stroke," says a writer. Nobody that the week and the Prince Rupert Boys' Band will also take part.

The board looks for more natives, more fishermen, more visitors of all kinds than ever before.
