

Edmonton Commercial Grads to Visit Prince Rupert and Play Local Girls August 20 In Game

News that the Edmonton Commercial Grads, world's champion women's basketball team, will visit Prince Rupert on Wednesday, August 20, and play a game that night with a local selected girls' hoop team, will be welcomed in athletic circles of this city. Arrangements for the Grads to come here have been practically completed between J. P. Page, principal of McDougall High School, Edmonton, and Ralph R. Smith of this city. The Edmonton girls will arrive here from Vancouver by boat on August 20 and proceed home the next day by train. The basis on which they will play here will be an even split of the gross gate. It had been suggested that the Edmonton Grads will face a boys' team here but this proposal has been declined by Mr. Page.

Prince Rupert Won Both Games From Ketchikan in Fourth of July Celebration Program

Prince Rupert having scored 15 runs to Ketchikan's one, they called the second game of the Fourth of July series at Ketchikan last Friday in the fifth inning. Will Lambie was on the mound for Prince Rupert and held the Ketchikan batters pretty well helpless. Most of the runs came in the fifth inning.

As announced Saturday, Prince Rupert won the first game, 10 to 3. In the early stages, this proved to be a tight contest, the sixth inning ending with the score 2 to 1 for Ketchikan. The Alaska men blew up however, in the seventh when they allowed seven Canadian runs to cross the plate. Herman Loblick pitched this game for Prince Rupert. It went nine innings.

The baseball team and party of supporters returned home on the Princess Charlotte Saturday afternoon. SHE THOUGHT:
"I'll never invite you again."
Yet, to be polite,
SHE SAID:
"It's nice to have you here, Ruth"

Charming—yet unwelcome ... can it be "B.O."?

(Body Odour)

"I did enjoy Alice Cole's bridge," Ruth was thinking some weeks later. "But she's never asked me again."
"Same old story—people like me at first—but quickly lose interest."
Then Ruth began to suspect the trouble. Read what she learned about "B. O."

"I'd never believe a person could be guilty of body odour—and not know it—except that it happened to me."
"B. O." fools us like that, my doctor explained, because we become insensitive to familiar odours. But even on cool days the pores give off as much as a quart of odour-causing waste.

"Now, thanks to Lifebuoy, I never worry about offending. Its wonderful antiseptic lather is so purifying, you feel like a million dollars' after a Lifebuoy bath. Lifebuoy removes even cigarette odours from the hands, my brother says."

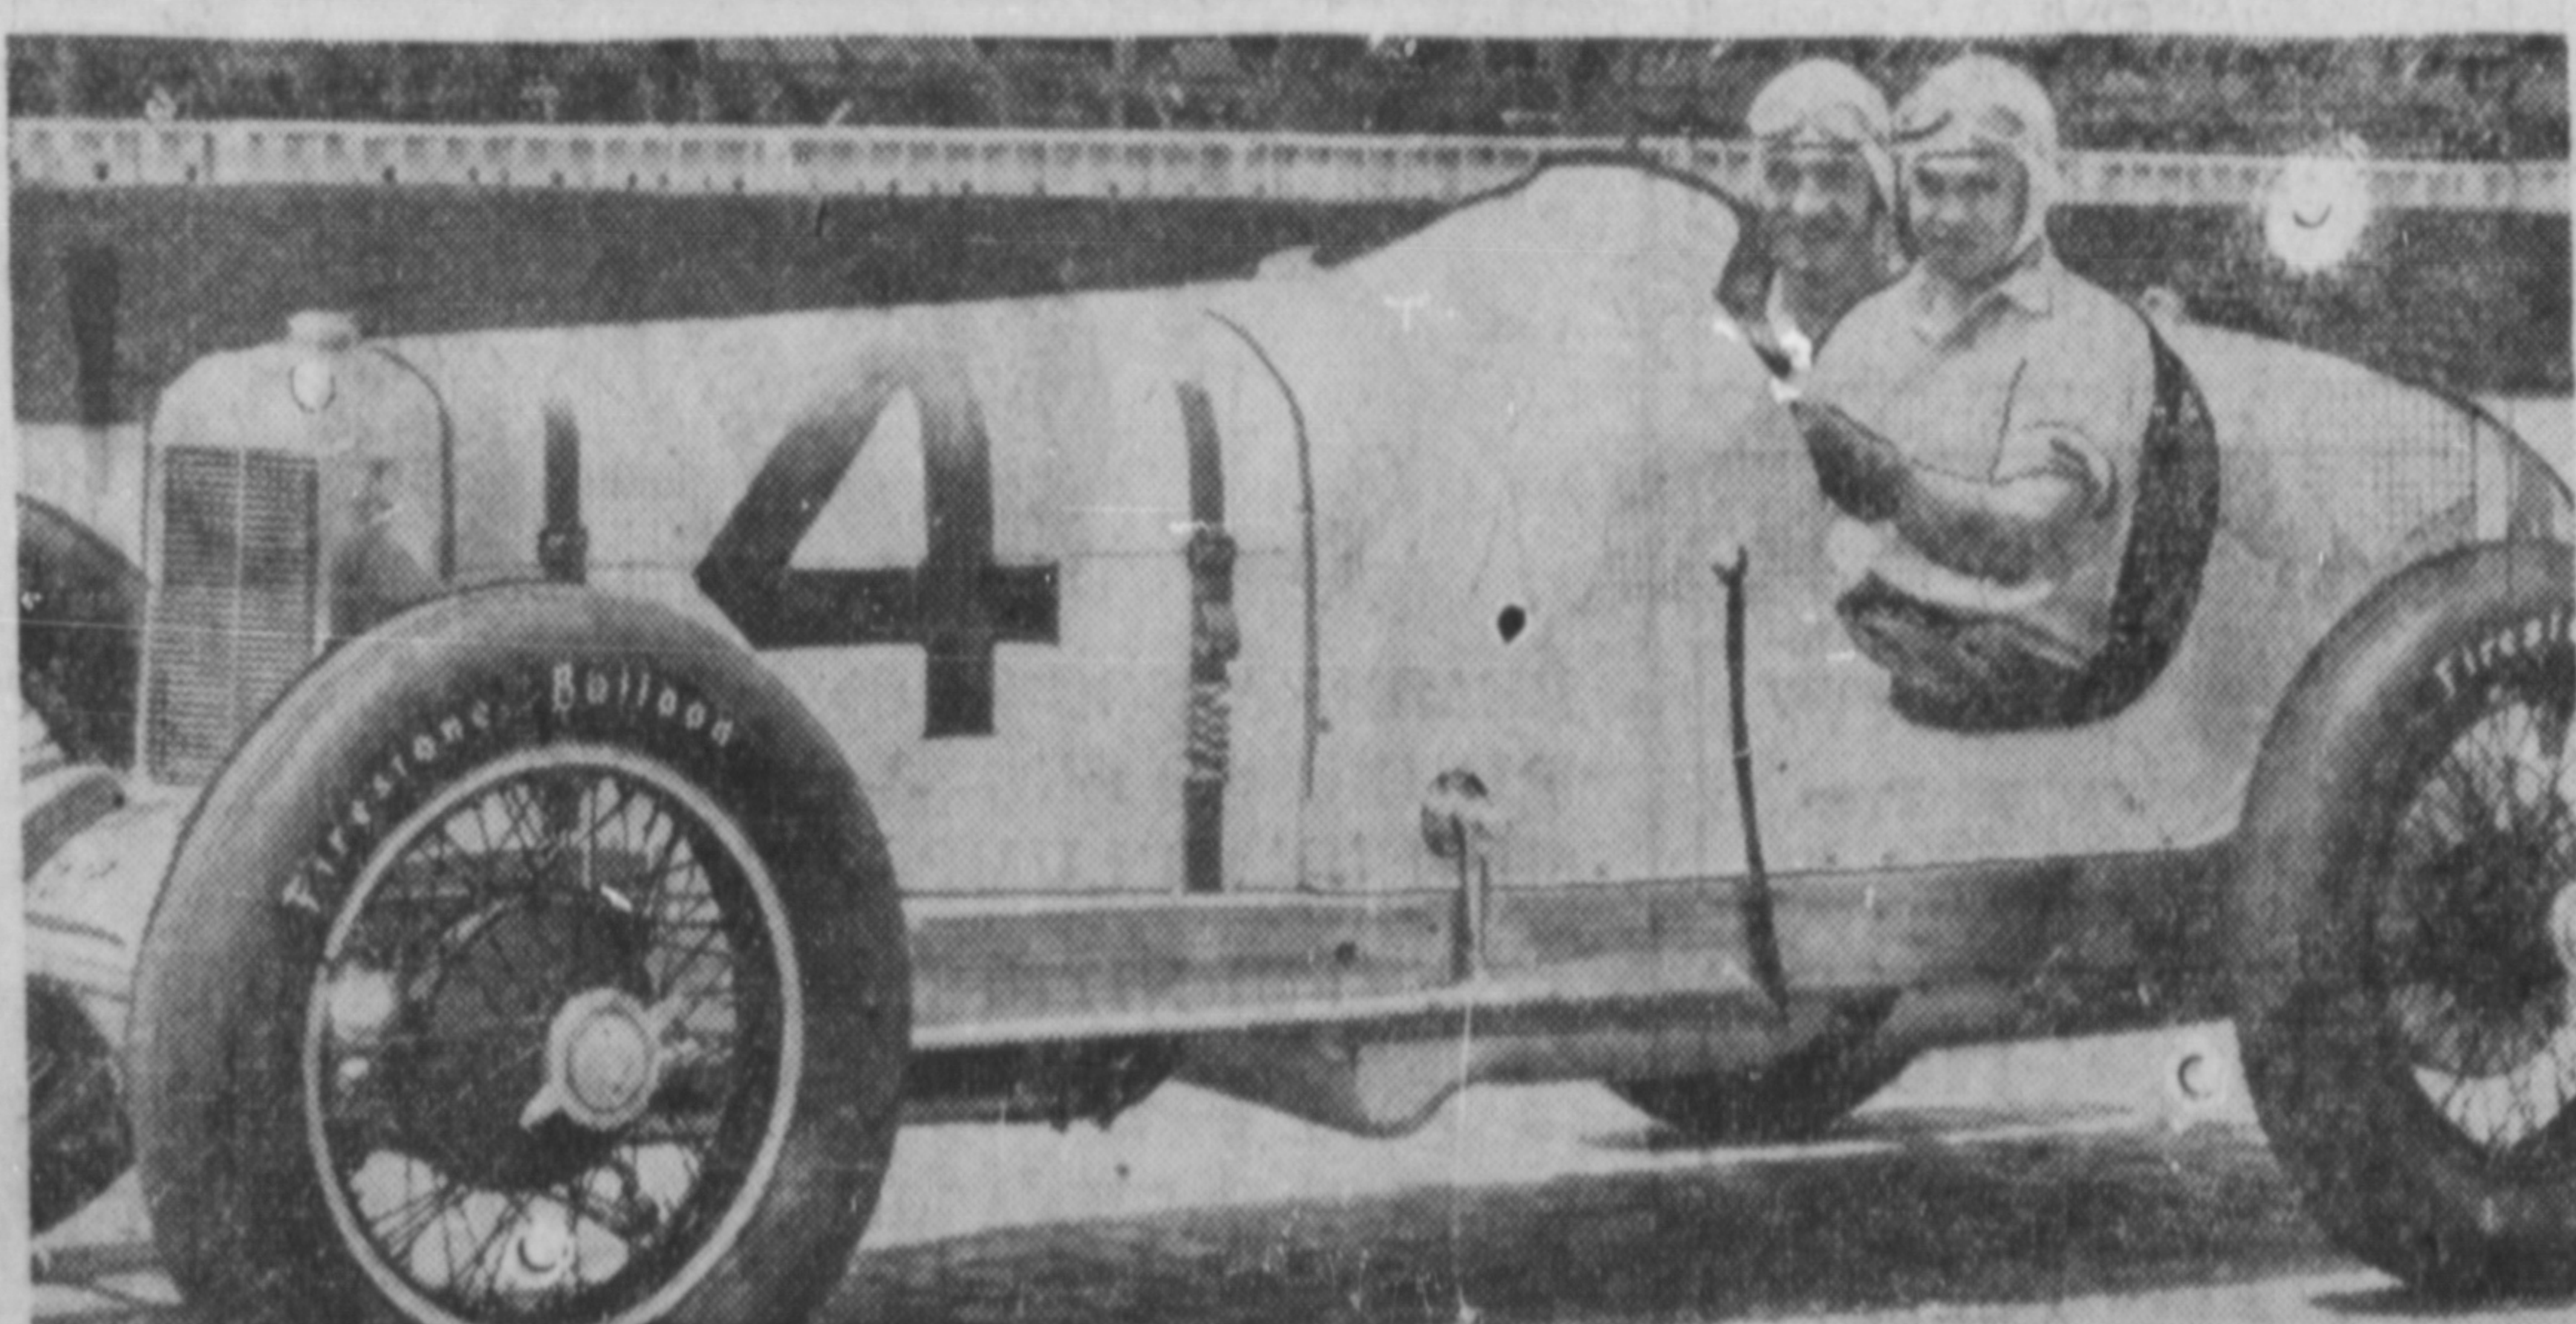

For healthier skins, too

"I think Lifebuoy's a marvelous complexion soap, too. And it safeguards us all against germs. You can tell Lifebuoy purifies from its pleasant, extra-clean scent that vanishes as you rinse."
