CHRISTMAS

THE WAY to make your Christmas shopping easy is to look at the advertisements in the daily newspapers. You will find in them a host of helpful suggestions.

Instead of tramping aimlessly from—shop to shop—and from counter to counter — inspecting thousands of articles displayed for the holiday trade, turn to the advertising columns of your favourite newspaper and be guided by the most direct route to the desired purchase.

Wasted time and wearied steps are thus eliminated and your shopping is done to much greater advantage.

You are puzzled about what to give Father or Mother; it is hard to decide what to buy for seven-year old Betty; you find it difficult to select a present for the best friend and the older folks. No matter what your gift problems, and we all have the same problems at Christmas time, the advertisements in the daily newspapers will help you solve them. Reading the Christmas sales messages in your daily newspaper will save you time, energy and money. Read them every day.

Turn to them now and benefit by the assistance which retailers and manufacturers offer to solve all the puzzles that arise out of your Christmas shopping. The best and choicest wares of all the world are available in the shops today.
