No Women With Working Husbands To Be Employed

WINNIPEG, Jan. 22.—Acting on instructions of the provincial government, C. M. McCann, civil service commissioner, has issued an order, effective the first day of the New Year, that no married woman whose husbands are wage-earners will be employed by the government.

Only in exceptional circumstances such as where it is found that a married woman seeking a position in the government service is responsible for the support of her dependents will the rule not always apply. There are at present about 18 married women holding civil service positions, but all will possibly not be ejected, as investigation has not yet been made into their individual cases. Those on whom falls the responsibility of supporting their families will be retained, it was officially stated. "There is no intention of creating any hardship on anyone," Mr. McCann said, "but under this policy there will no longer be an opening for this criticism so often levelled of employing married women who do not need to work."

LUTHERAN MEETINGS

Successful Year's Work Report at Annual Gathering Last Night

The annual congregational meeting of St. Paul's Lutheran Church was held last evening in the church. The report of the pastor, Rev. John H. Hanson, for the year 1929 showed that advancement had been made. A new place of worship had been secured and beautifully decorated at the hand of Gus Selvin; a piano had been purchased by the Luther League; an organ fund had been raised by the church council; a new Sunday School with 28 scholars had been formed at Seal Cove; and all church improvements had been paid for.

The report of the treasurer showed an improvement over other years in the financial position of the church.

I. Fenness and K. Hallberg were elected to the council to serve for three years. Mr. Fenness and Mr. Hallberg both spoke, speaking enthusiastically on the work of the church.

Ladies' Aid

The Ladies' Aid of the church held its annual meeting immediately before the congregational meeting. There were the usual devotional exercises at the opening and three new members were enrolled.

The election of officers for the year resulted as follows:

President—Mrs. Lars Dynrdahl.
Secretary—Mrs. Thor Strand.
Treasurer—Mrs. Gunnar Selvig.

Mrs. J. H. Hanson presided over the meeting. There was a discussion among the members as to how to be of best service in the church.

A committee consisting of Mrs. J. Murvold, Mrs. L. Dyrndahl, I. Fenness and Peter Lien, with the assistance of several others, was appointed to arrange for a musical program to be held in the near future.

After the meeting, those present partook of a delicious repast, Mrs. L. Dyrndahl being hostess, assisted by Mrs. H. Johanson and E. Skog.

The meetings were well attended and enthusiasm was manifested for the coming year.

Launching of the steamer Cardena from the pontoons at the local drydock, where she has been undergoing repairs following her recent stranding, will take place this afternoon or at least, tomorrow morning. The drydock is two days ahead of the scheduled time for completion of the job, and, on all hands, satisfaction is expressed with the work carried out.
