A party of local boxers is reported to be under serious training for a list of bouts to be staged during the coming season in Victoria and California. The group, which is training under the direction of Barney Doran, who handled Gus Gustafson in a recent bout ELITE BEAUTY PARLOR with Dido Gurvich, comprises Jimmy Haines, who claims the fly Expert marcelling, finger and and bantamweight title of British water waving. This continued spell of cold weather, reminding one of the winter of 1916-17 when they established a big open air skating rink on the Market Place where the Court House now stands, has started hockey and curling fans to talk of the possibilities of organizing those sports in Prince Rupert. There is both the talent and the enthusiasm but, unfortunately, the weather of Prince Rupert is. at best, an uncertain thing and, surely, winters when we get such long cold snaps as this is proving to be are few and far between. So fans of hockey and curling will have to go on, it seems, envying the small interior towns their lot these days against the time when Prince Rupert itself may be big enough to warrant the establishment of some kind of artificial rink before which, of course, it would be desirable that we should obtain that frequently agitated for and sometimes talked about gymnasium.

Thus Townsend! enters the hall of fame and joins the ranks of many another great ring star, such as Jack Delaney, Carl Tremaine, Jimmy McLarnin, Mickey Gill and others, who, having won their spurs, were adopted by our neighbor to the south. There is a chance that we may

get Billy back, however. Should Mr. Santiago plant that lethal right of his on Billy's chin with Lanadian Legion sufficient force to cause Billy to lie prostrate in the resin dust for 10 seconds, then the chances are that the good old L.A.
