Why We Sell Only GOODYEARS

IT is true that all tires are not alike. And it's obvious that all tires are not the same value. That's why we sell Goodyears only.

We've watched Goodyear Tires in use for a good many years. We're satisfied that they give longest mileage. We're sold on Supertwist and the All-Weather Tread. And Goodyear gives us a complete line of tires to meet all needs.

It's true we don't make quite as much money per tire. But we sell a lot more tires.

We have your size and type.
