importers \$10,000 Clearaway Sale

Tomorrow in this space we shall give full particulars of the biggest sale we have yet put on. It will be a merchandizing event of great importance and anyone contemplating purchases of clothing would do well to await the announcement which will be made on this page tomorrow

There have been plenty of sales in this city but it remains for this firm to eclipse them all in the special offerings.

The store will be closed all day tomorrow in order to allow opportunity to mark down the goods and get them ready for Friday. Our windows will give part of the story and the newspaper advertisement another, but the marked down goods inside will be a startling climax.
