George Enterprise and Windsor Properties at Stewart to Be Active-Duthie Closed Tight-Drum Lummon Proved to Be Big Producer

W. B. George, former owner of the George Copper and one of Stewart's best known pioneer mining men, has returned to the Portland Canal district after spending the winter in the south. During the coming summer he expects to do considerable prospecting in the field further north. Mr. George states that, as soon as weather conditions permit, the George Enterprise will commence operations for the season and the Windsor group on Bitter Creek, in which he is interested, will also continue development.

Angus McKenzie, superintendent of the Premier Border Gold Mining Co., reports that a well mineralized zone in the present workings has been en- "----countered. This porphyry zone ap- ore body from the upper level on parently parallels or may be a the Drum Lummon property in downward continuation of the B. C. Douglas Channel, about 100 miles Silver or Sebakwe zones. The company has planned an extensive down the coast from here.
