Eczema On Hands
Couldn't Put Them in Water

Mrs. Solomon Reikopf, R.R. No. 1, Neustadt, Ont., writes: "I was troubled with eczema for four years, and it was so bad I could not put my hands in water. I found Burdock Blood Bitters the only medicine that would give me any relief, and after taking four bottles the eczema had all left me. I can now do my own washing, and wish to give thanks to B.B.B. for what it has done for me."
