

RADIOFANS AT MEETING

Question of Interference Was Chief Subject of Discussion Last Night

The question of prevention of interference with radio reception was the chief subject of the meeting of the Radio Association held in the City Hall last evening.

It was reported that the trouble finding instrument owned by the government had been out of the city for two months and without it the local inspector was not able to do much.

At present it was at Stewart. The suggestion was made that an instrument be purchased by the association and it was thought the dealers would put up a good deal of the money.

Bad interference was reported in the neighborhood of Borden Street. Amateur interference was also complained of. Ben Rice reported that he had canvassed the city from Seal Cove to Fulton St., investigating the number of regenerative sets.

There was a general discussion in regard to radio matters. It was decided to postpone the election of officers until a future meeting to be called for January 24.

Legion Leading In Billiards

Nelson (Grotto) beat Col. S. P. McMordie (Canadian Legion) by 250 to 224, and M. Andrews (Canadian Legion) defeated George Waugh (Grotto) 250 to 161.

Games remaining to be played are: J. Andrews (Grotto) vs. G. P. Tinker (Canadian Legion), and M. McLachlan vs. J. W. Scott.

Kispiox Valley farmers complain that their cabins have been broken into and tools, provisions, blankets, etc., taken. Two Indians were convicted this week on such charges and sentenced to jail.

Ore on the Portland Canal Mining Co's property at Stewart is reported to run \$34 in gold and \$54 in silver. The property was recently inspected by W. J. Elmdorff.
