H. Smith, Melvin Dafoe and Sid LOCALS WON HOOP GAME

Kincolith Seniors and Intermefliates Were Beaten Last

The local teams proved to be too good for the visitors in last evening's basketball attraction at the Exhibition Hall. The Rupert Seniors defeated Kincolith 31-24. The Rupert Intermediates defeated the Kincolith Intermediates 63-23.

The senior game was not very interesting to watch during the first half. The play was slow and ragged although both teams were fighting hard to obtain possession of the ball. The score at half time was 13-Il in favor of Kincolith.

During the second half Rupert scored four baskets in quick succession to take a lead of 20-14. Both teams were off form and did not display the basketball that they are capable of showing. Robinson and Allen were sent from the floor for unnecessary roughness, which weakened Kincolith considerably during the latter part of the game.

ANALYZE THE JSED CAR

If a dealer pays you more than the true worth of the car he must make up the difference by extra charges on the new car or re-sell it to some one else at too high a price

ERMANENT value is always better than a temporary bargain in the purchase of an automobile. It pays to look ahead and consider reliability and ultimate up-keep costs, as well as comfort, safety, speed, and beauty of line and color.

Since most automobiles are bought for replacement, the value set on your used car is a factor in almost every purchase. Frequently it is given an importance beyond its true worth.

Used cars have a definite market value and you are justly entitled to an allowance based on that value. It is not fair that you receive less. It is not to your best interests to receive more.

IF a dealer pays you more than the true worth of the car he must either re-sell it to some one else at too high a price or make up the difference on the new car. This he cannot do unless he is allowed an excessive profit on the car or on financing, extra equipment and other charges. In either case, you pay the bill, for no way has yet been found to give something for nothing. The money must come from somewhere.

It is good for you to have a true picture of the used-car situation and its secondary importance in the purchase of an automobile.

YOU may not get the largest used-car allowance from the Ford dealer, yet you gain in the long run. You save far more than the seeming difference in trade allowance because of the lower first cost of the Ford, the low charges for selling, financing and accessories, and the lower cost of operation, service and replacement parts. The profits of the Ford dealer are not marked up or increased to cover a high allowance on a used car.

FURTHERMORE, at least \$75 extra value is given to you in the new Ford in the Triplex shatter-proof glass windshield, the Rustless Steel, the five steelspoke wheels, and the four Houdaille hydraulic double-acting shock absorbers. The unusually large number of ball and roller bearings, and the extensive use of fine steel forgings instead of castings or stampings, are other features that show the extra quality built into the Ford car.

Roadster, \$540

Phaeton, \$550

Coupe, \$620

Tudor Sedan, \$620

Sport Coupe, \$655

Three-window Fordor Sedan, \$775
