## A budding romance...almost shattered by "B.O."

THEIR first date! Bob was thrilled. B. O." she noticed

Body Odor! She couldn't forgive that—even though it was a hot day.

Then Gladys had an idea. She asked her brother, who was Bob's closest friend, to tell him the truth. Today Bob and Gladys are engaged. He's not guilty of "B. O." now.

Perspiration stays odorless

A warm stuffy day-crowds-excitement. How quickly at such times does perspiration make us guilty of "B. O." We can't always tell when we offend, because we become insensitive to ever-

present odors. But we can't avoid perspiring. Our pores give off as much as a quart of odor-causing waste daily.

Why risk embarrassment? Keep safe the delightful way millions know-Lifebuoy. Its refreshing, antiseptic lather deeply purifies all pores. After a Lifebuoy bath you actually feel the difference-a sparkling, wide-awake cleanness that lasts. No fear of "B. O."

Complexions, too, stay fresh and smooth with Lifebuoy. It guards health -by removing germs. Lifebuoy's pleasant, extra-clean scent, which vanishes as you rinse, tells you it purifies. Adopt Lifebuoy today.

Miss E. Frances Thompson to Show Women How to Use Appliances

Prince Rupert women will have the opportunity this week of learning, from one of the bestknown home economists in the country, the most efficient way of utilizing the many latent possibilities of electricity in the home. The economist in question is Miss E. Frances Thompson, who is internationally known for her work in household economics. She holds diplomas for dietetics and home economics awarded by the Board of Education in England; and lectured for several years on these subjects in London day and evening schools as home economist for the London County Council. In Canada she has addressed numerwomen's organizations throughout Ontario and the Maritime Provinces. Miss Thompson's weekly radio hour over CKGW has been a feature eagerly looked forward to by numerous housewives.

Miss Thompson is giving a series of lectures at 2:30 p.m. each afternoon and 7:30 p.m. each evening, Friday, Saturday and Monday in the Moose Hall. She is to speak on the general subject of electricity Dialett Place to in the home.

Her addresses are based on the belief that the average woman is somewhat bewildered by the variety of uses for electricity that have been developed during the last few years with a view to lightening household tasks. Few women, in Montreal Importers Has Very Large Miss Thompson's opinion, are able to make the best use of the scores of ranges, irons, vacuum cleaners, refrigerators, washing machines, toasters, hot-water heaters and other devices which in expert hands can make all the difference between comfort and drudgery.
