VALENCIA ORANGES

Are Being Offered Here; Field Rhubarb is Popular; Spring Vegetables In

The first Valencia oranges of the season for the local market arrived from California at the first of this week. They are selling at about the same price as navels which is rather high.

Field rhubarb is also in and is proving very popular at this time when fresh fruit is scarce.

Victoria hothouse tomatoes are being offered at 50c a pound. While the price is rather high, the product is excellent and splendidly graded.

A number of new spring vegetables are starting to make their appearance. Next month the fresh fruits will be starting to move in.
