The famous Edmonton Commercial Grads, girls' basketball champions of the world, are paying a visit to Prince Rupert today and tonight will play a match with a local quintette. The Grads party, which is 12 strong, arrived in the city from Vancouver on the steamer Prince George this morning and will proceed east by train tomorrow.

After tonight's game, there will be a dance which has been put on by the Elks Lodge for the visiting girls. Tomorrow they will be taken for a drive around the city and out the new highway and will also visit the plant of the Canadian Fish & Cold Storage Co.

J. Percy Page, coach and manager of the team, is in charge of the trip, being accompanied by Mrs. Page and daughter. Members of the team are: Elsie Bennie, captain; Margaret Kinney, Doris Neale and Mae Brown, guards; Gladys Frye, centre; and Margaret MacBurney, Babe Belanger and Mildred McCormack, forwards.

## STATION WINNER

In winning last night over the Round House nine by a score of 8-3, the Station team became the champions of the second half of the season in the Canadian National Softball League.

Regardless of the score, the game was a well played one, there only being one error registered against each team.

Outstanding players of the game were Horton, Downie, Tulloch and Jackson.

Station: Horton, Styles, Downie, Skinner, Summers, Morrison, McIntosh, Skattebol and Unger. Round House: Raby, Tulloch, Nelson, Smith, Hibbard, Jackson, Wick, Cameron and Armstrong.

Batteries: Station, Styles and Skattebol; Round House, Raby and Tulloch.

Umpires, Comadina and Smith.

This game wound up the series of the second half of the season, the Dry Dock winning the first series. These two teams will now play off for the year's championship, within the immediate future. Dates of these championship games will be announced in a day or so.

## VANCOUVER GIRLS WIN

HAMILTON, Aug. 20.—Lillian Palmer of Vancouver won the intermediate 60 metres and 100 metres sprint in the Canadian women's championships held in connection with the British Empire Games.

Jean Thompson of Vancouver won the intermediate title for the discus throw and Vancouver girls won the intermediate relay championships.

## PLANS FOR 1931 RACE

Cruiser Sprint Next Year Will be From Olympia to Juneau

Next year the Puget Sound Yacht Club race will be from Capital to Olympia to Juneau and back again. However it will be a cruise to Alaska and a race back. This will undoubtedly mean that Prince Rupert will again be one of the visiting places on the way north. It has found heretofore, that when racing north with the intention of cruising back, it was invariably a race north and back to see how quickly the boats could come home. Efforts are being made to avoid this in next year's race.

Recently in Seattle there was a big dinner at Queen City Yacht Club for all skippers and their crews. It so happened that Mr. and Mrs. George Busby were in Seattle on the day of the dinner and were made guests of honor. It was a most enthusiastic meeting at which the President of the Prince Rupert Rowing and Yacht Club and his wife were the recipients of warm hearted expressions of goodwill and fellowship from the yachtsmen of Seattle. There was no stiff formality, it was just a reunion of friends and the unexpected arrival of the Prince Rupert guests was hailed with genuine delight. The Puget Sound yacht clubs are already planning for next year's event and eagerly looking forward to visiting Prince Rupert.

The international race trophies presented by the local yacht club, the city, the Canadian Fish & Cold Storage Co. and Mr. Hanson, are highly treasured in Seattle, and have been placed in positions of honor in the beautiful clubhouse of the Seattle Yacht Club.

## TENNIS DANCE AT STEWART

Season's Prizes Presented at Successful Event on Saturday Evening

STEWART, Aug. 20.—At the annual dance of the Stewart Tennis Club, held last Saturday, cups were presented to the various winners in the championship tournaments so far played this year. Men's and ladies' singles were won by Art Coggan and Joan Mellor respectively; Joan Mellor and Mabel Mellor won the ladies' doubles, while Art Coggan and Norm Langford carried off the men's doubles. Play in the handicap mixed and open mixed doubles is still going on.

The dance was a very enjoyable affair, though the crowd this year was considerably smaller than usual. C. M. Bryant, local assayer, won the 100 shares of Premier stock raffled by the club.

Gill Woods, who will meet Billy Bagshaw of this city in a ten-round boxing bout here Friday night, arrived in the city on the Prince George this morning from Vancouver.

## SPORT CHAT

An athletic event of outstanding importance and interest in Prince Rupert is offered sport lovers of the city tonight when the famous Edmonton Commercial Grads, for years ladies' basketball champions of the world, will take on a local quintette. It will be the first time that the Commercial Grads have been seen in action here although their doings have always been followed so closely here that we almost feel that we know the girls personally and it is, therefore, a great pleasure for us to be able to welcome them to Prince Rupert. Basketball fans will not be so interested in the outcome of this match as they will be in the opportunity that offers to see the Grads do some of the championship stuff. Just the same everyone will be hoping that the local girls may make a good showing. The Grads arrived this morning on the steamer Prince George from Vancouver and will be here until tomorrow when they will proceed home by train. A suitable program of entertainment has been arranged to mark their stay here. Prince Rupert may well feel honored in the visit of these famous girls.

Not many people know that Amy Johnson is a good revolver shot and a passable exponent of ju-jitsu. The famous girl flyer who was welcomed in London by thousands of admirers and several cabinet ministers on her return from a solo flight to Australia, did not look like a champion in the art of self-defense. But her looks are deceiving. When Miss Johnson made up her mind to fly to Australia, she wondered what would happen if she were forced down and had to look after herself until she reached civilization. So she took lessons in ju-jitsu, and improved her shooting by constant practice with a revolver, using bottles and jars as her targets. Not content with that she learned how to put up her fists and use them to good advantage.

## Fight Prelims Are Announced

Art Lea and Andy Wilson, Heavyweights, in Semi-Final

An exceptionally fine list of preliminary bouts has been arranged in support of the Bagshaw-Woods 10-round fight on Friday night. In the semi-final, Art Lea, local heavyweight, is scheduled to go six rounds with Andy Wilson in a return match. Lea has improved a lot since his last fight against Wilson and a great battle is expected.

The complete list of preliminary bouts is as follows: Art Lea vs. Andy Wilson. Babe Dutton vs. Jack McRae. Dan Healy vs. Andrew Wall. Johnny McLeod vs. "Tod" Morgan.

## FAMOUS CARIBOO TRAIL

During the summer of 1929 the Geodetic Survey of Canada, Department of the Interior, carried a precise level line in British Columbia from Quesnel to Prince George over the route of the Cariboo highway. This is the most northerly section of the renowned highway now open to motorists from Vancouver to Prince George.

## English Oarsmen and Swimmers Win Further Laurels Yesterday At Empire Games At Hamilton

HAMILTON, Aug. 20.—England's oarsmen and swimmers added further laurels to their mounting series of triumphs in yesterday's crowded British Empire Games program. In all, 33 events were staged during the day including many special events not carded on the Empire Games program such as the Canadian women's track and field championships, international paddling and special international sculling races. One Canadian record was shattered when Joyce Cooper of England won the women's 100-yards free style swimming event in 67 seconds. The Canadian team won the 800-yards men's swimming relay with England second. Ryan of Australia won the 1500-yard men's free style, while Miss O. Whitsett of South Africa won the women's springboard diving.

The Empire eight oared sculling race was won by England with New Zealand second. In a special sculling feature, not on the program of the games, Bob Pearce, Olympic champion of Australia, won the quarter of a mile exhibition dash, defeating two Englishmen, one American and Joe Wright, Canadian champion. Wright was fourth.

England's bowlers continued their progress towards the Empire title with good wins but Canada kept in the running.

Canada overwhelmed the United States in international paddling events.

Ethel Catherwood of Toronto, Myrtle Cook McGowan of Montreal and Lillian Palmer of Vancouver were double winners in the track meet.

## HOME RUN BATTLE ON

Hack Wilson Is Just One Circuit Clout Behind Babe Ruth

NEW YORK, Aug. 20.—Charley Ruffing shut out the Chicago White Sox with two hits to give the New York Yankees the victory in a mound battle with Pat Caraway in the American League yesterday.

St. Louis Browns won the final game of a series with Philadelphia. Gavin hit three homers.

Cleveland Indians twice defeated Boston Red Sox, Ferrell winning his twenty-first victory in the first game.

In the National League, Hack Wilson of Chicago tied Chuck Klein in the all-time league record of 43 home runs so far this season. Wilson is now just one circuit clout behind Babe Ruth.

Yesterday's scores:

**National League**  
Philadelphia 9, Chicago 8.  
Brooklyn 0, Pittsburgh 8.  
Boston 4, Cincinnati 0.  
New York 4, St. Louis 2.

**American League**  
Cleveland 7-7, Boston 2-3.  
Chicago 0, New York 3.  
St. Louis 7, Philadelphia 0.  
Detroit 2, Washington 1.

Philadelphia and Chicago played a second game which went 16 innings to end in a 6-6 tie when the match was called on account of darkness.

## Twenty Years Ago

August 20, 1910

Paying his first visit to the port of his vision, the Pacific Coast terminus of the Grand Trunk Pacific Railway, Rt. Hon. Sir Wilfrid Laurier, Prime Minister of Canada, arrived in the city at 2 o'clock this afternoon on the steamer Prince George, a great reception awaiting him. He is accompanied by a party of prominent government and railway officials.

Prince Rupert's water supply is practically exhausted and, unless there is heavy rain, the population will suffer considerable inconvenience until the city engineer can get a pipe line run up to Morse Creek in order to augment the supply from Hays Creek.

Loud in his praises of the Lakelse Valley fruit lands, E. G. Gibbons has returned to the city from a trip to the interior. He stopped, among other places, for a couple of days at Michael Bros.' ranch.

## NATIVE SONS DEFEAT ELKS BY BIG SCORE

Jack Nelson Hurls No-Run No-Hit Game Against Lodgement—Stalker Gets Homer

| LEAGUE STANDING |    |    |      |

|                 | W. | L. | Pct. |

| Elks            | 1  | 4  | .200 |

Native Sons continued their rampage in the City Baseball League last night when they took the lowly Elks into tow with a score of 14-0. As a result of last night's contest, the Sons have a strangle hold on first place. The only chance for them to be tied for second half honors now would be for the Centrals to win all their remaining games while the Sons would have to lose all of theirs. As they already had captured first half honors, it looks as though they will cop the Orme Trophy for the city championship.

Jack Nelson faced the Elks last night and pitched fine ball, only one man reaching first and that was on a base on balls in the first inning. After that it was just a case of one-two-three.

Brick Skinner started for the losers, and after three walks and a single retired in favor of Moran. He walked one man and hit one, while two hits gave the Sons a lead of seven runs. For the next two innings he held the Sons scoreless but in the fourth they started for him and before the dust had cleared seven more runs had trickled in. When the Elks were retired in their half of the fifth, the game was called on account of darkness.

Stalker was the big stickler in last night's game getting credit for two hits in three times at bat, one of them going for a homer. The fielders did not see the ball until it landed away behind them. Lambie got two hits out of three times up, one of them for two bases.
