The city council has taken the action it thought best under the circumstances. They have canvassed the whole of the various ore bodies of the pro- tuation thus remains the same as it situation, along with the city engineer and the work they perty. have chosen has been the most suitable for the purpose while at the same time being of the greatest possible benefit to the city.

SOCIALISM DISCUSSED

Socialism is a subject that is always open for discussion because it is something that has never been tried out. In the stock for its interest, the con- now. The price of wood has dropped Russia they set out to do so but fell far short of the ideal. Benjamin de Casseres in an article in "The Thinker" finds one great objection to the logic of the advocates of the sys- been carried on by Consolidated price last winter was a steady \$7. tem and that is that the reasoning starts with a wrong since, and while little information hypothesis. He says:

"Socialism conceives man to be naturally honest, bene- ted, has repeatedly indicated that volent, peace-loving and ultimately perfectable. All his- Big Missouri is very promising. tory, all experience, all obseration-in other words all reality-contradict absolutely and incontrovertibly these bovarystic conceptions. The human imagination has never invented a demon comparable in pure diabolism to man. All organized government is an attempt to restrain this de- There's a little bit of everything in mon. In the animal kingdom there are found all human virtues. It remained for men to invent forms of viciousness and malevolence that can nowhere be discovered in the sub-human world. Man's history is a shambles. There is There's a little bit of shamrock in with an ivory clock. no crime, no vice, no villainy that he will not justify. Para- There's a little bit doxically, it is the knout, the lash, the gallows, and war that make life possible."

Evidently Casseres does not like socialism for he states There's a little darling sweetheart tractor, James P. Downey. that "its mainsprings will be found to be malevolence, There's a little Mother standing on envy, hatred and the instinct to war." He also says: "When the giant structure of socialism, reared on the falsifica- There's a little boy and girl there tion of the nature of man and the nature of the universe, falls, the race will stand where Madame Bovary stood be- There's a little bit of love aro fore she took arsenic. BURNSLAKE

The village of Burns Lake has similar amount from municipal funds will be added in order to provide relief work during the winter. The work to be carried out will include the construction of a small wharf on Burns Lake and improvements to the public park and streets

Gowans & Sons have purchased wo registered Oxford Down rams from the colony farm at Essondale for the purpose of grading up their sheep flock. The purchase was made through the Burns Lake branch of the Farmers' Institute.

William Behnke of Colleymount last week shipped out to Edmonton hree carloads of cattle and two carloads of sheep which he had raised on his farm. The stock was in very fine shape.

Despite very slippery roads, Frank Carroll was able to make a motor trip to Prince George last Monday, returning on Tuesday.

Robert W. McGowan of Burns Lake has been appointed a stipendiary magistrate and judge under the Small Debts Court Act.

The nucleus of a new settlement is being formed west of Taltapin Lake, north of Burns Lake, where four German families are now establishing residence. They expect to be joined by ten more families next spring. It is their intention to go in chiefly for stock raising.

District visitors in town during the past week have included: Henry Piche. Decker Lake; Crichton Christensen, Fraser Lake: Oscar Solheim, Danskin; P. L. Mulville, Grassy Plains; Frank Bickle, Bickle; Dr. J. B. Judge and J. T. Harvey, Smithers: R. H. Moore, Indian Agent, Vanderhof: W. G. Gamble, school inspector, Prince George; Mrs. N. Van Norman, Decker Lake; A. Blayney, Grassy Plains; A. H. Brean, Vanderhoof; D. L. McGibbon, Smithers; T. E. E. Greenfield R. C. M. P., Vanderhoof, and R. C. Stanyer and William Burke, Francois

Members of the staff of the J. H. Fisheries are able to make frequent trips into the Babine since the frost has made the roads passable.

William Burke is having a large residence erected on his farm at Francois Lake, The structure measures 32 by 26 feet and is being put up by Carl Ostberg.

A. C. Ford of Smithers is relieving teller in the local branch of the Royal Bank of Canada while W. Muirhead and B. Brunell are taking their annual vacations.

Snowfall and zero temperatures are now becoming quite usual here, indicating that winter will soon be

Mrs. Frank Lewis of Decker Lake returned last week from Edmonton where she had taken her baby for treatment. The child is now making good recovery.

Robert Lowe is on his way back from a motor trip to Vancouver.

Of Course...

you can serve it hot

Most people want a hot breakfast dish for a cold day. Shredded Wheat is deliciously warming when eaten with hot milk. Crisp the biscuits in the oven and pour hot milk over them. The flavory shreds retain enough crispness to encourage thorough chewing—that's one reason it's so good for children. Delicious for any meal with fresh or stewed fruits.
