PILL was no mind-reader. But he could see that Joan wasn't enjoying this trip into town. Why is she edging away? he wondered. Then hesawthenewspaperheadline-"Hotterweather here-look out for 'B.O.' "

Body odour-was that his trouble? Read Bill's own answer.

"Tricky 'B.O.' It fooled me all right. "Yes, I perspired. But in a healthy, normal way. I didn't notice any unpleasantness.

"Now I realize that we become insensitive to ever-present odours; that pores constantly give off odour-causing waste—as much as a quart a day; ad the hotter the weather—the more we offend.

#### Keeps perspiration odourless

"So it's Lifebuoy for me always—and no 'B.O." worries. Its purifying lather keeps the body fresher. Even removes cigarette odours from the fingers.

"We all think Lifebuoy's a fine skin soap, too -and a real safeguard against disease germs. Lifebuoy's pleasant, extra-clean scent that vanishes as you rinse, tells you it purifies."
