## RAILWAY IN PEACE

From Being Outlet, Vancouver Province Points Out

powering a night watchman and says the Vancouver Province editorengineer after a struggle during fally. For more than a dozen years which two shots were fired, three the little Peace River town has sat armed bandits blew open the safe on the British Columbia side of the of the Cascade Laundry on Beach interprovincial boundary looking Avenue and escaped with \$800 early across to Alberta and waiting for the trains to come down the Edmonton & Dunvegan grade from Spirit River. And they have never come. But yesterday the first train came, not westward from Spirit River, as had been hoped at first, but northwestward from Hythe. Peace River railways continue their Prince Rupert People Doing Well habit of wandering about the country before arriving anywhere. They have had so many difficulties to overcome-muskeg, cut-banks, unstable soils, as well as financial quagmires—that they have pretty nearly forgotten the elementary principle that a straight line is the shortest distance between two

However, a railroad is a railroad, whether it comes in a straight lin. or wanders all over the country to achieve its end, and Pouce Coupe is glad to have it, even though the whistle of the locomotive will blow away the last of the bloom of the wild west from the Peace River Block. The railway will give Pouce Coupe and Rolla and Dawson and Fort St. John and the other settlements in the Block connection with the outside world without the nec-Alberta. And it will save the farmers 5.00 of the Block heavy transportation

But it must not be forgotten that Peace River producers have been ent unemployment emergency in Robbers With Gun asking, and that has been promised the United States, was finally ratithem both by railwaymen and poli- fied by Congress on Saturday. ticians. DuVernet, Canon Rush- vessel it was. brook himself starting to hold services there about a year later, it was not until December 8, 1910. that St. Peter's Church was opened. Since then, services might have been more or less irregular but the congregation still remained alive and active. Canon Rushbrook mentioned several who had been especially active in the work of the church including Mrs. J. B. Gibson (Miss Alice DuVernet), C. V. Evitt, Mrs. Robert Blance and Mrs. Ralph Bernie (Miss Edith Kelsey).

There was a fine musical program for the service. Mrs. J. H. McLeod, the doors.
