ANOTHER BUDGET AMENDIVIENT WADE New Iron and Steel WILL PROSPECT FOR SUMMER HERRING

Schedules Objected To By The Progressives

Position of Agriculture and Labor Not Considered, 'Tis Said—Conservatives Expected to Support Government

OTAWA, May 9:-W. R. Fanscher, Progressive for Last Mountain, Saskatchewan, yesterday moved a subamendment to the Conservative budget amendment stating that it was to be regretted that more effective consideration had not been given to the position of agriculture and labor but that, on the contrary, changes made in iron and steel tariff schedules would result in increased cost with respect to all structural work and machinery of production and, further, that the best interests of Canada would be served by a more substantial increase in the British preference, particularly as affecting textiles and other articles of similar character.

When it comes to a vote, it is expected Conservatives BOAT SINKS will unite with the government against the sub-amendment.

New Halibut Treaty, Holding Additional Fishing Rules, Is Signed By States and Canada known fish packer C. and N. in

OTTAWA, May 9:-A treaty between Canada and the United States for the purpose of securing preservation of Ed. Johnson aboard the troller the halibut fisheries in the North Pacific Ocean was signed Moose. today in the office of Prime Minister Mackenzie King. Mr. King signed on behalf of Canada while B. R. Riggs, United States charge d'affaires, signed for the United States. The new treaty has grown out of the halibut treaty signed clear through the pilot house winat Washington in 1923 and brings into effect important dow on to the deck. Recovering recommendations made by the International Commission themselves, the two men took to a Half Million Dollar Loss Yesterday

Man Killed Yesterday When Prince Rupert Built Tug Goes Into Lake

KELOWNA, May 9:-"Jock" McGill, of North Vancouver, aged 60, was drowned at noon yesterday when he was swept over the railing into the icy waters of Okanagan Lake at the launching of a new Canadian National tug constructed by the Prince Rupert Dry Dock and Shipyards.

The gunwale and part of the deck of the vessel was submerged as the boat went into the water, washing McGill off. The body was recovered an hour later.
