ACT PROMPTLY—

Accept the help offered by Income Tax Inspectors

and Avoid Penalties

Every person who during the year 1929 had an income, from any source, of as much as \$1,500, if single, or \$3,000 if married or supporting a family, is required to make an income tax return.

If you are situated as above described, failure to make this return by midnight, April 30th, together with cheque or cash for at least 25% of amount of tax, will render you liable to a penalty equal to 5% of the total tax payable. (Limit of penalty \$500.)

To avoid incurring this penalty, obtain NOW, from your postmaster, or from the Inspector of Income Tax in your district, the necessary forms and make your returns at once. These forms are as follows:

For Individuals other than Farmers and Ranchers.

For Farmers and Ranchers only. For Corporations and Joint Stock Form T2 Companies.

Each form contains in itself instructions for filling

By making your return by April 30th you gain in two ways:

First, you avoid penalties for delay. Second, you qualify yourself for the privilege of paying in instalments.

INCOME TAX INSPECTOR WILL HELP YOU MAKE OUT YOUR RETURNS

If there is anything in the income tax return which you do not understand, any Income Tax Inspector will be glad to explain what is required.
