ST. ANDREW'S BALL BIG SOCIAL EVENT AS USUAL THIS YEAR

The St. Andrew's Ball, one of the big social events of the season, is being planned to take place about two weeks hence. This year some of the distinctive Scottish dances will figure on the program, which as a spectacle, are unexcelled. The eightsome reel to the music of the pipes, and the Highland fling are being looked forward to by many of the Scots people here and those for whom these dances are too strenuous in these decadent days, are promised something which will be well worth witnessing.

FITTING UP NURSERY FOR GENERAL HOSPITAL

Tag Day to be Held on Saturday For This Deserving Cause.
The Municipal Chapter of the Daughters of the Empire are doing excellent work in fitting up a nursery at the General Hospital. Since the maternity ward has been established at the hospital there has been need of a nursery in connection therewith. A bright room has been secured for this purpose and the ladies are sparing no expense in making it suitable for the purpose. New cots are being secured and the room refitted throughout.

Local News Notes

Dr. J. S. Brown is on a professional visit to Anyox.
Geo. A. Davis returned to Alice Arm last night after making a visit to Port Essington.
Let us make our hospital up to date. It needs a properly equipped nursery. Tag Day Saturday.
R. A. White, a pioneer real estate dealer of this city, returned to Prince Rupert on yesterday's steamer.
Major Angus W. Davis was in town yesterday and returned to Alice Arm last night. He is in charge of the Dolly Varden mine which is operated by the Taylor Mining Co.

The Arts '21 class of the University of British Columbia held its annual class party in the Varsity auditorium on Friday evening last. Jas. Mitchell, as president of the '21 class, took an energetic and important part in the arrangements which culminated in a great success.

At the local newstands it has been impossible to obtain many of the New York magazines for over a month. Until the present strike among magazine workers in the big city is over few of the familiar New York publications will be seen. The workers are striking for larger wages and the publishers are holding out against a raise.
Mrs. A. R. Holtby, accompanied by her little grandchild, returned to Prince Rupert yesterday. Mrs. Holtby has made her home in Victoria for some time past but she has a host of friends in this city who will give her a hearty welcome. Mrs. Holtby's daughter, Mrs. H. H. D. Hemmell, died in Victoria about a year ago and since that time the little child has been with Mrs. Holtby as Major Hemmell is on active service. The major was formerly connected with the Canadian Bank of Commerce here, but has been with the army ever since the war began.

Got a Cold?

Peps will give you relief!
Simply dissolve a Peps tablet in your mouth. Your breath carries the medicinal Pine vapor, which is released, to all parts of the throat, nasal and air passages, where a liquid medicine could not possibly reach. WELL KNOWN NURSE RETURNS TO NORTH

Miss McElhoes, who was formerly surgical nurse in the local General Hospital, was in Prince Rupert yesterday. She was on her way to take a position in the Anyox hospital, where Miss McKnight, the matron, has resigned. Miss McElhoes spent three years in France with the Canadian forces and has just recently returned to Canada. It is four years since she has been in Prince Rupert and it was an agreeable surprise to her many friends in this city to see her back once more if it was only for the afternoon. Miss McElhoes will spend the winter in Anyox at least.

AND WHEREAS the whole debt of the City of Prince Rupert, not including for local improvements and school purposes, is \$869,676.36 which is not twenty (20) per centum of said assessed amount.
AND WHEREAS this By-law cannot be altered except by the consent of the Lieutenant Governor in Council.

2. For the purpose of paying for the said Serial Debentures authorized by clause 1. of this By-law, the City of Prince Rupert to create a debt to the amount of \$150,000.00, which debt shall be payable in thirty (30) years from the date when this By-law takes effect, for which debt Serial Debentures may be issued to be secured as hereinafter mentioned.
3. The Mayor and Treasurer of the City of Prince Rupert may, and they are hereby authorized and instructed to sign, and affix the seal of the Corporation to each of the debentures hereby authorized to be issued.
4. The said debentures shall be in denominations of not less than Two Hundred and Fifty Dollars (\$250.00) each, and shall be payable at the Bank of Montreal, at Montreal, Canada, or, at the holder's option, at the office of the Bank of Montreal in the City of Toronto, Canada, or New York City, New York, U.S.A., or at the City of Prince Rupert, Canada.
5. Each of the said debentures shall bear date the 1st day of December, A.D. 1919, and such debentures shall have annexed thereto coupons for the interest thereon at the rate of Six (6) per centum per annum, payable half yearly on the 1st day of December and the 1st day of June, 1920.
6. The said coupons shall be deemed to have been properly executed by each of the said debentures, if they are stamped, printed or lithographed thereon the names of the Mayor and Treasurer of the said City of Prince Rupert, each coupon shall be numbered in the number of the debenture to which it is attached.
7. All debentures issued under this By-law shall be numbered consecutively in no matter when issued, beginning with the number one (1).
8. The principal of the said debentures shall be payable on the first (1st) day of December in the years and amounts set out in the Schedule to this By-law.
9. For the payment of the debt hereby authorized and the interest thereon, there shall be raised and levied in each year during the currency of the said debentures, the annual sums set out in the Schedule to this By-law.
10. The total annual sums for interest and payment of the debt referred to in the preceding section shall be raised and levied in each year during the currency of the said debentures by a rate sufficient therefor on all the rateable land or rateable land and improvements within the Municipality.
11. The said debentures when issued, sold or hypothecated, and any coupons thereon attached shall be deemed to be valid and binding charge upon the said City of Prince Rupert.
12. The Council may sell the said debentures at less than par if it is found at any time necessary so to do.
