OLD or iced, Ovaltine is far more than a delicious summer drink. It is a builder of necessary nervous energy, a creator of bodily vitality and strength, and is not overheating to the blood. COLD OVALTINE, more than all beverages, is the correct summer drink for children, because it combines in easily digested and quickly assimilated form, all the essential vitamins and other food elements conducive to growth. Ovaltine is good for both young and old. 'OVALTINE'

Lou owe this to the children

Don't start them out with physical handicaps. Build their little bodies to win the race of life—give them all the Shredded Wheat they want with plenty of milk—a combination that builds sound teeth, good bones and sturdy bodies. And how they love it! You don't have to coax them to eat. Delicious for any meal with fruits.
