DOUGLAS LODGE

RAINBOW TROUT are plentiful this
season in the Stuart Lake district, they
take either fly or spoon. In this wide
virgin country there are hundreds of
miles of waterways in lake and stream
with many pleasant bays and wooded
isles, unexplored by white men. Now
that really good accommodation is pro-
vided and modern camping equipment
is obtainable, many are taking fishing
trips.

Another important attraction there
is a ride or hike to the top of Mount
Pope, from which a wonderful picture
is seen—100 miles of lake and woods in
every direction.
