ITS VIGOR AND HEALTH APPEAL TO SPORTSMEN

THE WORLD OVER

1. The very foundation of "Canada Dry" is "Liquid Ginger"-which we make from selected Jamaica ginger root by a special process.

2. This process is exclusively controlled by us and, unlike any other method, retains for "Canada Dry" all of the original aroma, flavour and natural essence of the ginger root.

3. Therefore, this fine old ginger ale has basic excellence, a quality exclusive to "Canada Dry," and the property of the makers of this ginger ale.

THE lithe, active men and women of this country find exhilaration and vigor in its crystal depths. It has the quality of the game well played. It has the quality of sportsmen. It is unquestionably the sportsmen's beverage.

No wonder it is served all over the world. No wonder it has won the approving nod of connoisseurs. No wonder it is a drink of distinction. Remember to order it today!
