Eve Strain is Nerve Strain

You may feet unduly tired after a shopping tour or a moving picture show or as the result of reading or sewing.

It is possible that you may need glasses but the chances are about 100 to 1 that your nervous system is run down and that the greatest benefit will result from the use of Dr. Chase's Nerve Food.

Eye strain is a frequent cause of nervous trouble. It often brings on nervous headache. Sleeplessness results and feelings of fatigue and depression.

There is nothing which so quickly restores an exhausted condition of the nervous system as Dr. Chase's Nerve Food. This has been proven in so many thousands of cases that it is now recognized as the standard and most effective treatment for this condition. Put it to the test and your friends will soon tell you how well you are looking.

Dr. Chase's Nerve Food

Moose Women Card Party and Dance Successful

Many Moose and Deer Taken Last Season in N. B.

FREDERICTON, N.B., March 22: -More than 800 moose and over

These figures are included in staden, Major H. H. Ritchie, contained 4; Smithwaite, 4; K. Nakamoto, 3; in the sixty-ninth annual report of the New Brunswick Department of take a lead of 12-0 during the first. Toilers in a very one-sided 15-2 islature today by Hon. Charles D. · Richards, minister of lands and mines. Compared with the figures for 1921 these returns show an outstanding increase in the number of deer killed-from 1,880 in 1921 to and showed wonderful accuracy to timekeeper, and W. Lambie was at 9,065 in 1929-while the number of moose killed last year was 864 as compared with 1.016 in 1921.

The biggest spread of antlers reported during the 1929 season was that of a moose shot on the watershed of the Tobique and Southwest Miramichi Rivers by William Sweet, of Glassville. These antlers spread 60 inches and gave New Brunswick the record moose head for Canada for the fourth consecutive year.

The Chief Game Warden urges the following three means for conserving the provinces supply of big

Strict observance of 10-point law. Shorter hunting season. More game refuges in localities where seed stock of moose are at
