Two Prominent Stock Brokers Sent Up For Higher Court Trial

Expected That Final Hearings of Conspiracy Charges Laid By Alberta Government Will Be Heard in May

CALGARY, March 22:- Isaac W. C. Solloway and Harvey Mills, president and vice-president respectively of the Solloway, Mills Co. Ltd., were committed by Magistrate Sanders in police court here yesterday to stand trial on five criminal charges of conspiracy to defraud the public in connection with their stock brokerage dealings in the province of Alberta. The preliminary trial had been in progress all this week and attracted widespread interest throughout the financial world of the continent. The trial of Solloway and Mills will likely take place in May. Meantime, both men are out on heavy bail bonds.

Criticizes Action of Government Connection With Reinstatement of Timber Licences

VICTORIA, B.C., March 22-Authority has been taken by the provincial government under amendments to the Forest Act to reinstate lapsed timber licences on TITES would mean a loss of millions dollars, T. D. Pattullo, Liberal leader, charged in the legislature yesterday.

"In one case I understand, the former owners will have to pay \$300,000 to regain possession of timber," Mr. Pattullo said. "No sane man is going to do that unless he can make something out of it.

Seizure of Chief Capilano Is Ruled Illegal So Canadian Steamer Resumes Her Voyage

SEATTLE, March 22:-The Canadian-American Shipping Co.s freighter Chief Capilano has resumed her voyage from Port Townsend.

The vessel was released yesterday after Federal Judge E. E. Cushman had ruled that, under the Treaty of 1847, the craft was protected and her seizure illegal.

The Chief Capilano had been seized earlier this week in the Straits of Juan de Fuca by the United States coastguard on claims of debt against her owners arising out of the sinking and loss of cargo aboard the steamer Chief Maquilla in the Aleutian Islands in 1928.

New Telephone Switchboard Here About Ready; Will Take Care of 2,000 Subscribers

Installation has just about been completed at a cost of some \$4,300 or so of a new switchboard which will give the local municipal telephone system a capacity to handle well on to two thousand instruments. Some numbers are already in use on the new board, these ranging from "800" to "999." Depending upon classification of main lines and party lines, the new board will be able to take care of probably some three hundred and fifty new subscribers in addition to the 1460 of today, representing about 1670 instruments now in use including extension 'phones, etc.

The new numbers will be listed in the next telephone directory which is expected to be ready for delivery by the end of the month. Many changes are to be taken care of in
