Because KLIM will give you as much or as little milk as you want, whenever you want it. Simply mix KLIM with water, and you have milk; not a makeshift but real, fresh, dairy milk with ALL THE CREAM, all the nourishment and all the delicious flavour that you long for when you're miles away from the nearest dairy.

KLIM keeps without ice and is most economical to use. Take it along on your camping, boating or motoring trip. Keep a few tins at the summer cottage. Because it's in powdered form, KLIM weighs only about one-fifth as much as the milk it makes. Send 10c for a trial tin.
