All Relieve Constipation and Add Food Iron

There are literally scores of ways that Kellogg's ALL-BRAN can be eaten and enjoyed. Whatever way

your money will be refunded! Many eat Kellogg's ALL-BRAN as a cereal. It is delicious with milk or cream. Another way is to use it in soups and salads. The practice of soaking it in fruit juice has grown very popular. Its addition to all cooked food is an appetizing and healthful one.

When you eat Kellogg's ALL-BRAN regularly, you have the satisfaction of knowing that you are enjoying one of the most healthful habits on earth. It not only relieves constipation, but adds iron to the blood. In combination with milk or fruit juices, it brings important vitamins to the diet.

Every one should eat it to supply the bulk needed to balance the soft foods eaten today. Include ALL-BRAN in all reducing diets. It helps prevent constipation and anemia.

Order a package of Kellogg's ALL-BRAN. You will like the improvements in flavor and form. Your grocer has it. Made by Kellogg in London, Ontario.
