Holiday Resorts

DOUGLAS LODGE
RAINBOW TROUT are plentiful this season in the Stuart Lake district, they take either fly or spoon. In this wide virgin country there are hundreds of miles of waterways in lake and stream with many pleasant bays and wooded isles, unexplored by white men. Now that really good accommodation is provided and modern camping equipment is obtainable, many are taking fishing trips.
Another important attraction there is a ride or hike to the top of Mount Pope, from which a wonderful picture is seen—100 miles of lake and woods in every direction.
