PAIN
so easily relieved
How to treat
Headaches
Neuralgia
Neuritis
or check a Cold

WHY are some women so patient with pain? Shopping with a head that throbs. Working when they ache all over. Sometimes it's hours before they take Aspirin and get relief! Most men take these tablets the moment that some sudden ache or pain threatens their comfort and so should you. Aspirin is perfectly harmless; it cannot depress the heart. The tablets stamped Bayer are always genuine Aspirin; always the same, always safe. So it isn't sensible to suffer with a headache, a cold, neuralgia pains, or anything else that these tablets relieve almost as soon as swallowed. Buy by the bottle and save money. Any drugstore has the 100-tablet size.

"B.O." cheated Evelyn out of popularity...

until she discovered that perspiration need never offend
PRETTY, gay, marvelous dancer—Evelyn should have been the hit of any party. But she wasn't!
Why? Everybody knew—except Evelyn.
Luckily though, Evelyn's new sister-in-law was very frank. There's no "B. O."—no body odor—marring Evelyn's attractiveness now. She was told the easy way to keep perspiration odorless.
Don't be deceived. We can't tell when we are guilty because our sense of smell becomes deadened to an ever-present odor. But even when we don't seem to perspire, the pores give off as much as a quart of odor-causing waste daily.
Play safe—bathe with Lifebuoy. Its mild, antiseptic lather purifies pores deeply—prevents embarrassing odor. Even removes the smell of cigarettes from the fingers.
Skins, too, stay smooth, clearer with Lifebuoy. Health is safeguarded—it removes germs. You'll love Lifebuoy's pleasant extra-clean scent, which tells you it purifies, yet quickly vanishes as you rinse. Adopt Lifebuoy today.
