WANT BATTALION RE-ESTABLISHED

City Council Unanimously Favor
102nd Being Started in
Home City.

**ALD. BARRIE BRINGS IN
RESOLUTION TO THIS END**

Before the council meeting ad-
journed last night, Ald. Barrie
brought in a motion that the Min-
ister of Militia be communicated
with and that it be recommended
to him that a unit of the 102nd
Battalion be re-established in this
city. He pointed out that the
battalion had been largely re-
cruited in Prince Rupert and had
been called the Northern B. C.
Battalion. The motion was sec-
onded by Ald. McMeekin.

The mayor gave some particu-
lars regarding the original for-
mation of the gallant battalion
and felt that Prince Rupert was
entitled more than any other
place to hold the flags and colors
of the regiment.

The battalion had originally
consisted of 80 per cent northern
B. C. men but after getting over-
seas had been reinforced by On-
tario men with the result that an
Ontario city was now trying to
get the re-established unit. Not
only did Prince Rupert want the
battalion but the feeling was gen-
eral all over the province that
this city was entitled to it. Major
Matthews, of the Imperial Oil Co.,
Vancouver, who had been an of-
ficer in it, was, for one, strongly
in favor of Prince Rupert getting it.

Ald. Rochester said that this
was a good move and Prince Ru-
pert had first claim to a re-es-
tablished 102nd battalion.

The motion was carried unani-
mously and the Minister of Militia
will be communicated with.

"SPITE FENCES" EXIST IS SUGGESTION MADE

Discussion on Alderman Perry's
Fence Amendment Takes
Funny Turn.

On Ald. Perry bringing in an
amendment to the fence section
in the city bylaws, Ald. McRae in-
formed him that the Board of
Works already had some new
regulations in view, especially
regarding garage construction.
They were now obtaining advice
from the underwriters and other
cities on these questions and he
suggested that the regulation of
the fence bylaw be left to be de-
alt with along with these others.
Alderman Perry said that he was
quite willing to have it dealt with
in this way.

There was considerable discus-
sion on the matter, suggesting
spite fences and neighborly dis-
putes. Ald. Kirkpatrick asked
why a person could build a house
over six feet high if they could
not build a fence any higher.
Mayor McClymont replied that
sometimes fences were built for
other reasons than use, but
houses cost too much to be built
for spite. Fences sufficient to
keep people from looking into
their neighbor's back yards would
have to be perhaps fifteen or
twenty feet high and very amus-
ing looking structures.

A CASE WHERE DOCTORS AGREE

Medical Science Practically
Unanimous as to Treatment
of Colds and Influenza

Doctors often disagree but there is a
practically unanimous agreement among
them as to the treatment which should be
used in the case of colds in the head, a
very frequent complaint at this time.

The drugs which are used in such cases
are: Aspirin, Phenacetine, Quinine, Salol,
Caffein Citrate and Camphor Monobromate.
Any physician will tell the reader that
this combination may safely be trusted in
the treatment of a cold or a case of
grippe. It is also a combination which
does quick and effective work.

The objects sought by the treatment are
the keeping of the system open in order
that the systemic poisons generated by the
cold may be thrown off, the reducing of
the feverish conditions accompanying the
cold, the alleviation of the clogged up con-
dition of the head and the soreness of the
muscles usually present and the general
toning up of the system.

Grip Fix, a preparation now on sale at
all drug stores is a combination of just
the ingredients advised by physicians for
effective results. It comes in the con-
venient capsule form advisable for home
use and the treatment should start as soon
as the first sign of the cold appears. Grip
Fix has a record of relieving a cold in a
night and even a case of Grippe in 48
hours. With a box in the house, the safe-
guard is at hand if colds break out. It is
sure to get the genuine Reid's Grip Fix
with the formula printed on the box. It
sells at 35 cents—a small price for a treat-
ment so effective for colds. On sale by
all druggists.

They Went to Vancouver

We were told last week of a person
who bought an article while in Van-
couver and noticed the same thing
later in our window for 50c less.

There's no need to send away in most
cases. We buy from the same fac-
tories as larger stores do, and we
keep their catalogues to compare by.

This year we have the finest and best
selected stock ever in Prince Rupert.

You should buy at home if we can
suit you for we spend our money in
town and far away stores do not.

We are here at home to make any ad-
justments needed and if we get your
trade we are encouraged to keep a
larger variety for the occasion when
you need something special.
