Vacancies on the executive were Claims of \$4,000 to Be Satisfiedfilled and many questions concerning party organization and welfare of the district came up for atten- At an auction sale held by Sheriff r nominated.

dent to succeed George Oulton, who basis, some 30,000 pounds of frozen has been absent from the town for fish-20,000 first class and 10,000 ected vice-president.

ROAD TO

Connected With Outside World

WINNIPEG, June 5-Grading far as automobile travel is concerned, will start this summer, R. W. McKinnon, provincial government engineer has stated.

During the winter a small army of men cleared 50 miles of dense bush and muskeg and thick growth of timber, slashing a trail which extends from the Sasketchewan river to Turnberry on the Manitoba-Saskatchewan border. With the completion of the Saskatchewan section between Hudson Bay Junction and Turnberry automobile travel between Winnipeg and The Pas will-be a reality.

Capt. Dollar Back at Work

Noted American Shipping Magnate Feeling Fit After Serious

SAN FRANCISCO, June 5:- Capt. Robert Dollar, 87-year old shipping magnate whose condition three weeks ago was considered so serious that surgeons were afraid to perform an operation, was back a work again at his desk yesterday and declared that he felt good enough for many more years yet.

Seattle Child Loses Life By Lake Drowning

SEATTLE, June 5:-After a 24hour search, Louis Moreno of this City yesterday found the lifeless YOSHIHARA body of his seven-year old daughter Lorraine, in the water of Lake Union. The child had been last seen riding on a scooter near the lake.

NUMBER OF THE RESIDENCE OF THE PARTY OF THE

Atlantic en Route to North Pole

NEW BEDFORD, June 5:-The submarine Nautilus, with Sir Hubert Wilkins' North Pole exploration party on board, left at 11 o'clock last night to cross the Atlantic Ocean to Bergen, Norway, en route to Spitzbergen where the final base will be made before dashing under the ice to the North Pole. It is 720 miles from Spitzbergen to the North Pole.

Before leaving Cape Cod, the Nautilus ran final tests with complete satisfaction.

As the Nautilus proceeds across the ocean, the Graf Zeppelin is being prepared at Friedrichshafen, Germany, for its trip to the North Pole to keep rendezvous with the submarine.

PROVINCETOWN, Mass., June 5:-The submarine Nautilus was plowing the North Atlantic today on its way to test the feasibility of reaching the North Pole under the ice. The first port of call will be London, England. On board are Sir Hubert Wilkins and 18
