ELECTRIC REFRIGERATOR

Milk stays fresh and wholesome in
your electric refrigerator. This is
vitally important to the children's
health.

For youngsters and grown-ups alike
an electric refrigerator will be an all
year round health guardian by pre-
venting food spoilage.

There's no reason to delay your
purchase any longer. See how it
makes ice cubes—always an ample
supply. Learn about new frozen
salads and desserts which are so
easily prepared. Two years to pay.
