ROYAL ENGLISH FAMILY DURING CELEBRATIONS

KING GEORGE and ROYAL FAMILY ARRIVING at CADOGAN PIER, CHELSEA in STATE BARGE. Drawn by F. Matting for the Sphere. © By New York Herald.

Matania, the famous London Sphere artist, was one of thousands who witnessed this royal scene on Peace Day in Great Britain. The royal party went on board the state barge, glowing with crimson and gold, at the Custom House and disembarked at Cadogan Pier, Chelsea. Matania shows the moment when the royal barge is coming alongside the pier, near which a pavilion had been erected, and from which the King watched the passing of the rest of the procession. The banks of the river and the bridges were lined with dense crowds of people, who cheered loudly as the royal barge came slowly up, rowed by oarsmen in the picturesque garb of the King's Watermen. With King George were Queen Mary, Queen Alexandra, the Prince of Wales and other members of the royal family. A salute of twenty-one guns was fired as the King and Queen disembarked at Chelsea.

The Fruit Medicine

R. R. No. 1, LORNE, ONT.

"For over three years, I was confined to bed with Rheumatism. I treated with doctors, and tried nearly everything without benefit. Finally, I tried 'Fruit-a-tives'. Before I had used half a box I saw improvement; the pain was easier and the swelling started to go down. I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place'".

NIGHT'S STORM
CAUSES DAMAGE

Was Worst Wind Experienced in City Since 1909—Many Windows Broken.

Last night's furious windstorm caused considerable damage in various sections of the city, especially down town. In the outlying sections some small shacks suffered and advertising signs were blown down. Shingles were blown off roofs and some sidewalks were picked up bodily and carried away. The small house on First Ave. near the Besner Apartments, formerly occupied by Capt. Mager and family, was blown down. It had been bought by Chief Vickers and was pretty well dismantled, so the wind finished the job. Also a shack on Eighth Ave. W. went over.

The damage is more evident in the down town sections where many plate glass windows suffered. Several awnings and signs were carried away, striking the windows in falling and shattering them. Among those losing plate glass windows were the Mussallem Grocery Co., where the awning was ripped to pieces and blown down, the rods striking the window. Kenny Rood's automobile sign went down and broke his big window. J. Killas, B. C. Cafe, Kirkpatrick & Harper, Army and Navy Club, Two Girls' Bar, Singer Shop, I. W. W. Hall and the Japanese Mission all lost plate glass windows. The sidewalk on Second Avenue was torn up at two places, at the corner of Eighth Street and between Second and Third Streets. The iron roof on the Exchange Block was lifted and, rolling backwards and forwards, made quite a thunder-like commotion this morning.

Although the harbor was very rough there does not appear to have been much damage done at the waterfront. Captain Swanson, in his gasoline boat "Regal" was cruising about the harbor this morning and the big launch was fairly bouncing. At the G. T. P. yards the roofs were lifted off some of the cars. The storm today was undoubtedly one of the wildest ever experienced in the city and reminded old-timers of the fall of 1909 when so many buildings were bowled over in the furious storms of that year.

Two-color window cards take the eye quickly. See them at the News Job Department.
