### LETTER BOX

GROWING HOLLYHOCKS

Editor, Daily News:-

Your enquiry as to whether hollyhocks can be grown in Prince Rupert can safely be answered in the affirmative. A year or two ago I grew them from seed wintered them in the open and next summer they bloomed profusely. I have also seen the Armory. The following officers them frequently in Mr. Tobey's gar-

Being a biennial plant, the seed Nicholls. has to be sown in boxes in June or July, then pricked out when old Col. S. P. McMordie D.S.O. enough to the flower bed. If in a sheltered spot they can be allowed to winter in the bed, but if not then son it would be safer to transfer them to a cold frame until spring. Slugs have rather an affinity for the ler. young hollyhocks, so they have to be guarded against.

The seed I used was obtained man and P. Edgecumbe. from James Brand & Co., Vancouver, (Brand's Prize Strain) 25 cents ded and the team was picked for a package, and can be obtained in Friday's opening game. shades of dark crimson, pink, yellow and white. All of them are pretty.

#### Ernest Rhoades

A TTENDING to the multitude of intricate details necessarily connected with world-wide organizations in which agricultural Canada is vitally interested has become a habit with Mr. Ernest Rhoades, the Secretary of the World's Grain Exhibition and Conference to be held at Regina in 1932.

In 1924 he was in charge of the Dominion live stock branch exhibit at Wembley, England, and one of the two Canadian delegates to the second World's Poultry Congress at Barcelona, Spain. Mr. Rhoades was Secretary of the World's Poultry Congress held at Ottawa in 1927. He is now secretary of the worldwide grain show of 1932, and brings

to bear upon his work not only secretarial experience in connection with this class of exhibitions but also fifteen years' experience in the Federa! Department of Agriculture. For three years Mr. Rhoades was assistant agricultural editor of the Family Herald and Weekly Star.

In his work in the Federal Department of Agriculture Mr. Rhoades was assistant chief of the poultry division and included in his journalistic experience has been the editorship of the publications branch of the Federal Department of Agriculture.

Mr. Rhoades was born in Lincoln, England, in 1885, where he received his early education. After coming to Canada he graduated from Macdonald College, McGill, with a B.S.A. degree.

Rotary, the Regina Board of Trade and the Canadian Society of Technical Agriculturalists know him as an active member.

# ELKS MAKE

Beauty Shop is Full of Life and Action and Appeal is Universal

The one type of stage entertainment which has survived the tremendous competition of the talkies in the larger theatrical centres is the sprightly musical comedy with it's color, it's life, it's action, it's! attractive girls, it's music and such is the ideal entertainment for he "tired business man," and it's appeal to the amusement lover is universal. That is why the local Order of Elks have chosen "Th. Beauty Shop" for their annual theatrical offering as it contain every ingredient for a most enjoy able evening. This clever comedy was written!

by Channing Pollock, who has more than a score of successes to his credit, including "The Fool," "The Enemy," "The Red Window." etc., and was presented to New York show-goers by Geo. M. Co han with Raymond Hitchcock in the leading role. After a successful run of almost two years in the one theatre it was taken to London and scored a tremendous hit under the title of "Mr. Manhattan." More than sixty young 19dies and young gentlemen are working hard to make this the outstanding success of many seasons. It will be seen in the Capitol Theatre on Tuesday, June 9, with a special matinee in the afternoon and the evening performance at

Uncle GAZAZUS is coming!

RECORD

SPEAKS for

ITSELF

The Grain Elevator at Port Arthur, Ont., has a capacity of nearly seven million bushelsthe world's record for a single unit storage elevator.

TUCH could be said about the quality, the mildness and the fragrance of Turret Cigarettes. Their steady increase in popularity, however, is Turret's record, which speaks for itself.

After all, nothing can replace good, honest tobacco; grown and ripened right out in the field under nature's own sunlight-nothing artificial about that-and the high quality is "inbred".

THE VALUABLE
