## Large Attendance Enjoyed Concert In Interior Village

KITSEGUKLA, Dec. 23.—The Kitsegukla Christmas tree and school entertainment was held on December 17 in the United Church and was much enjoyed by all.

The teachers had trained the little ones to represent nursery rhymes and this feature of a well performed program was very pleasing.

When the year's school prizes had been distributed, Santa Claus arrived and thanks to the Women's Missionary Society and C.G.I.T. of Victoria, he brought a splendid lot of gifts.

Moses Jones very generously supplied candies and the Indian Department fruit for all.

Another feature much appreciated was numbers played by the village Brass Band.

After some good slides had been thrown upon the screen sheet, old and young went home realizing they had had a good time.

## Social Evening Is Enjoyed By Young People

A social evening was enjoyed by members of the Young People's Society of First Presbyterian Church last night. There was an acceptable program of music and games were played. Delicious refreshments were served.

President E. J. Smith was in the chair and the program included selections by a male quartet consisting of J. E. Dawey, J. A. Teng, S. J. Hunter and Alex Clapperton, orchestral selections by Miss Nellie Lawrence and her pupils, readings by Mrs. Robert Cameron and community singing. Games were played under the supervision of Rev. W. D. Grant Hollingworth.

Fifty-four persons were present.

## STORY OF CHRISTMAS

Local Citizen Finds Bottle and Prepares to Celebrate as Owner Turns Up

A well known local citizen went out to his car as usual yesterday morning. Investigating a parcel he found in the corner of the back seat, he discovered it to contain a bottle of Johnny Walker Scotch whiskey.

Starting back to his house with the treasure, our citizen met a friend and they arranged to have a social evening last night. But, alas and alack, a sorrowful man appeared on the scene at this stage and explained how he and a friend had gone into a garage to sample one or two bottles they owned. It was good stuff but seemed temporarily to have dulled the memory.

And so our poor citizen got none. Mike Anderson, who has been on a trip south, returned to the city on the Prince Rupert this morning from Vancouver.

Following the short program, there was on display for sale a few articles by the Home League. Coffee and home cooking attracted a good many. The climax of the evening was when the "Arrow Target" shooting contest started open to all. For prizes there were candies, toys, Christmas novelties, etc. Only two "bulls-eyes" were scored during the entire evening. The "Mystic Wheel" also proved a good deal of attraction for the young people.

There was a closing speech by the chairman and the usual vote of thanks, and the singing of "God Save the King."
