## More Than \$40,000 Fish Sold Yesterday At Puget Sound Port

Price of 10c and 7c Paid—United Pacific Fisheries Hoped to Put Independent Buyers Out of Business, It Is Asserted

SEATTLE, April 28:-After a conference with fishing vessel owners on Monday, independent fish dealers bought the catches of twenty-five halibut schooners which had gone begging because of inability of the recently organized co-operative United Pacific Fisheries, composed of vessel owners, to finance their purchasing. More than \$40,000

Wholesalers refused on Saturday to buy the catches. It is declared here that the United Pacific Fisheries was organized to put the in-KETCHIKAN dependent buyers out of business.

Half a Million Pounds of Halibut Still Unsold There Aboard

CHAOS AT

KETCHIKAN, April 28:-The chaotic condition of the halibut industry was unrelieved as more than a dozen large fishing schooners and many smaller boats had More than 500,000 pounds of-unsold fish on board.

The boat owners were holding the fish pending word from the United Pacific Fisheries to buy
