John Noble Addresses Electrical Workers' Union and Trades and Labor Council Delegates

John Noble of Winnipeg, organizer of the Electrical Workers' Union for Western Canada, met and addressed members of the local union as well as delegates to the Prince Rupert Trades and Labor Council at a wellattended meeting last night in Carpenters' Union Hall.

Mr. Noble spoke of conditions generally in Western Canada and gave an outline of the recent convention in Vancouver of the Trades and Labor Congress of Canada, which he attended.

Thomas B. Black, president of the Electrical Workers' Union, was in

Mr. and Mrs. Noble, who have been here for the past two or three days following the Vancouver convention, will proceed east on tomorrow morning's train.

Funeral of Late Mrs. Yukie Maehara Took Place Yesterday Afternoon

sionary, officiated, and Miss E. G. Lenox of St. Andrew's Anglican Japanese Mission, presided at the organ to accompany the hymns.

Many mourners included the deceased's parents, Mr. and Mrs. Kobayashi of Vancouver.

TRIAL AT ANYOX

Committed for trial by Stipendiary Magistrate W. B. Eve at Anyox on charge of being in a dwelling by night wit hintent to commit a criminal offence, Anton Koskelac was brought to the city last night from the smelter town on the steamer Prince Rupert by Provincial Constable Sam Service. Koskelac will come before Judge F. McB. Young here for election. Constable Service will return to Anyox on the Catala Bunday night.

UBLIC AWAITS

1932 Models Represent Greatest Value in History

Dealers are being deluged with nquiries regarding the new 1932 Atwater Kent radios. It is expected that the new models will be placed on display in prominent music stores vithin a few days. The new Atwater Kent golden

the finest radio, from the standpoint of value, quality and performance that have ever been produced. The world trusts Atwater Kent

radio and exhaustive experiments and tests were conducted before the new sets were permitted to be released to the public.

The new season's offerings of the famous Atwater Kent laboratories bring with them the greatest values in the firm's history. There are nine models in the new range which will give a wide selection to satisfy every purse and preference. Every one is magnificent super-heterodyne, with all the most advanced refinements and improvements. New cabinet designs of arresting beauty and grace are finished in genuine Nofar. A touch of the finger will bring up the glorious golden tone from deep to brilliant, without distortion. This is made possible by the automatic volume control, which is an important feature of the new

wich filling.
