Judge a Diamond's value by 'ts "trademark"!

There's no identifying mark on a diamond—no manufacturer's name that guarantees its worth. Yet every diamond of quality has a "trademark"—the good name of the jeweler who sells it.

Our reputation is your assurance of diamond value—as firm an assurance as though our name were stamped in the stone itself. Which is one reason why we have been chosen as jewelers qualified to sell Crown Guild Watches.
