McLarnin has been offered a match with the winner of the forthcoming Billy Petrolle-King Tut bout and he intends to take it on. He will then engage in a come-one come-all campaign.

Jimmy reported that his hand, broken in a fight a few weeks ago with Billy Petrolle, who gave him the worst beating of his career, had been restored to its complete normal strength and that he had gained another five pounds in weight which makes him all the more formidable as aspirant for the welter

McLarnin denied reports that he was about to retire from the ring. "I hope to be boxing for a few more years at least," the universally popular Canadian boy said.

ORIENTAL MARKETS

Crusade Should be Made by Railways, Says Saskatchewan Member

REGINA, Feb. 19:-Railways, vitally concerned in the economic stability of the Canadian west, should promote a trade crusade to the Orient, according to S. Whittaker, Conservative member of the Saskatchewan Legislature. Mr. Whittaker declared that he was ready to contribute half his member's indemnity, \$1,000, and also pay his own expenses to the Orient if his plan were accepted.

The sole object of the Oriental journey would be to find a market for Canadian wheat, according to the Conservative member. Mr. Whittaker's plan suggests that the provincial and federal governments, the railways and the individual members of the mission should bear the expenses equally.

The Conservative stalwart has submitted his plan to Premier J. T. M. Anderson, it is understood.

Senator Wagner Charges That Hoover Deliberately Misconstrucd Wickersham Report

WASHINGTON, D.C., Feb. 19:-Charging that President Hoover had deliberately misconstrued the report of the Wickersham commission on its investigation into the liquor laws of the United States and their effectiveness and enforcement, Senator Wagner moved for the repeal of the Eighteenth Amendment.

Senator Wagner flayed the president for "evading the findings of his own commission." If it had been necessary to do that, the case for continuation of prohibition could not be a very strong one, the senator contended.

Senator Wagner's action is construed as being a last desperate effort to swing the Democratic party into the wet column for the 1932 presidential election.
