One must gamble a little men, carriages, low barouches, you know at Monte Carlo and the simply magnificent horses and best thing in the world for you is to beautiful autos. Laughter and mu- start in-losing. sic all the day long and every day Well, I sauntered around until 1 a holiday for richly attired people stumbled into the suicides' gravefrom all over the world.

Last night I picked up my malac- you found the ruins. You may reca stick, made famous for having member the old songbeen lost and recovered six times "On the cliff by the sea, at the edge since it left the hands of a peddler in Cairo, and started out to see the night life of Monte Carlo.

God planted a garden, a garden of Darkness was closing in rapidly, with almost an apologetic air, as if Where the tower in the ruins stands regretting the painful duty of putting an end to a perfect summer At whose feet are the graves of dear day, and a new moon was hanging like a silver sickle over the Medi-Oh light of my life, where the popterranean.

The avenue, approaching the great marble Casino fully three city blocks long, is the wonderland of any fairy story ever written- a perfeetly scientific jungle of tropical luxuriance brilliantly illuminated bust, to suicide together. by concealed lights, hidden within the palms and masses of blooming rocks below and I just stood there, flowers; and the parks are filled looking over the sleeping town and England to this coast. with statutory and marble fountains. The magnificent facade of the building, one of the architectural wonders of Europe, stands out against the dark blue background of the night sky, perfectly illuminated by over 150,000 candle power of hidden spot lights so arranged that the light they cast blends into one

smashing whole. One must show one's passport to an official as one enters, for the employees of the city are not allowed to gamble. They then must leave their hats and sticks in the checkroom. Men and women generally appear to be in dinner dress. As I entered most of the guests were centred around one roulette table and I instantly realized that some big game was on. It appeared that a young woman was winning, having one of those inexplicable runs of luck. Suddenly there was a Carlo, tense silence as if the riveters at our dock yard had gone for a new supply. Then a confusion of many tongues and applause.

Barrie's Home Furnishings

So easy to apply: and it dries m4hours

LL over Canada women are discovering the new and better way of re-finishing worn furniture and brightening old household articles. The gay, attractive shades in which B-H Chi-Namel Four

Hour Enamels Stains and Varnishes are offered will delight you as they have delighted thousands of others.

A brief four hours is all these improved, modern finishes require to dry. You can paint a chair in the morning and count on using it again before dark. Another advantage is that these finishes may be applied over old coats of paint.

With B-H Chi-Namel Four Hour Enamels Stains and Varnishes you can easily carry out attractive colour schemes in bedroom, bathroom, kitchen or hall. With them, too, you can salvage old pieces of furniture now relegated to storeroom or attic.

We have a complete line of B-H Chi-Namel Four Hour Enamels Stains and Varnishes drop in today and ask for a colour card and any other information you require.
