IN UNION IS STRENGTH

A group of members of the Prince Rupert Chamber of vessel here while two boarded her Commerce has just returned from a visit to the mining here for Vancouver." camps in the Portland Canal district and while there they held out the hand of fellowship, urging co-operation between the various communities in Northern and Central spend two months visiting with British Columbia for their mutual benefit. They were given a dinner at Stewart at which the idea was first broached and it was made the theme throughout the visit to the various points.

While the visit was unofficial, one of the members was Joe Keith. Mike Rosin. Gust of the people. president of the chamber and another the sitting federal Neilson and Jim Crowell, who have member for Skeena and the others active members of the been logging at Crescent Inlet for "When the workmen own the workorganization. This is the first of a series of visits which it the J. R. Morgan Logging Co., aris hoped will be made by Prince Rupert business people to John this morning from the Queen the surrounding communities which should result in bring- Charlotte Islands. ing about a greater community of interest and a more helpful spirit everywhere.

RISE IN PRICE OF SILVER

Silver is up a good many points over quotations of a week or two ago and the tendency is for it to advance along with the price of wheat and a good many other commodities. Such a rise would mean much to Northern British Columbia. The mines at Stewart, Alice Arm, Smithers, Hazelton and many other points depend almost wholly on whose husband recently died. exthe price of silver and the higher it goes the more pros- pressed appreciation of the latter perous are those communities. Lead and zinc are also ad- for kind treatment which had been vancing and very soon it is hoped that the price of these accorded in the hospital. metals will have reached a point where operation of the mines will once again prove profitable.

EASTERN PORTS CLOSE

The ports of Montreal and Quebec and Churchill are Quee Charlotte City and will sail either closed or closing for the winter and at those points on the Prince Rupert tonight for all commerce is coming to a standstill until the spring op- vancouver. ening. Grain held there must either be carried to an open port by rail or held until the ice goes out.

What a contrast this is to the port of Prince Rupert and two chudren, who have been residents of Massett for the past where there is never seen any sign of ice in the harbor; nine years arrived in the city on where ships may enter and clear all the year round and the Prince John this morning from where commerce is never tied up by severe weather conditions.

While Prince Rupert has had to fight her way against future residence. great odds to assert her position as a grain port, the conditions obtaining are bound to have their effect eventually. For several years after the Vancouver elevator was built, "torial judge of the Yakon was a no grain passed through it. Prince Rupert has done bet- Norah yesterday afternoon bound ter. Even now grain is going into the elevator and the big house is being gradually filled. The elevator is being used having left the Yukon for wint practically all the time but not in a way to satisfy the Mr. people of the port.

RLOOD BITTERS

Sores Broke Out All Over Her Body

Mrs. T. E. Cliff, Kelwood, Man., writes: "My little daughter's hands and arms broke out in sores which spread all over her body.

Nothing I tried gave her any relief until I got a bottle of Burdock Blood Bitters, and I could see an improvement, as the sores began to disappear. I gave her three bettles and she has had no more trouble."

1 Newspapers Endorse this Investment

Read what leading Canadian newspapers, through their editorials, say about LIFE INSURANCE:

"It is one of the great businesses of the world". -The Halifax Chronicle.

"The soundest method of saving money, after all". -St. Thomas Times-Journal. "All investment roads are leading to life insurance".

-Galt Evening Reporter. "An outstanding feature of the present depression is the record made by Life Insurance".- Moose Jaw Times-

"Has stood all the tests" .- Port Arthur News Chronicle.

"Thinking men . . . create an estate with the aid of Life Insurance and then pay for it out of their income". - Toronto Mail & Empire.

"Is making a powerful contribution to human happiness". -Peterborough Examiner.

"Is, in fact, the best safeguard against poverty". -Montreal La Patrie.

"Is on a scientific basis-built on a sound foundation". -Saskatoon Star-Phoenix. "Wise men protect their business interests by insuring

their lives". - Guelph Daily Mercury. "Has made giant strides in popularity and influence in

Canada''. - Toronto Globe. "It is established on a firm economic basis".

-St. John Evening Times-Globe. "Has become a service that is being increasingly appre-

ciated". - Montreal La Presse. "Makes for security, promotes independence and credit".

"A sure means of saving and investing money at good return".-Kingston Whig-Standard.

"A necessary investment, not an expenditure, in every well-regulated family". - Owen Sound Sun-Times.
