

Suffered From Heart Trouble
Became Weak and Run Down

Mrs. Wm. Diotte, Glensandfield, Ont., writes:—
"For a long period I suffered from heart trouble, and became very weak and run down. I tried various remedies, but they did me no good. One day I met a friend and told her of my trouble. She said she had had heart trouble for two years too, but after using Milburn's Heart and Nerve Pills for a short time she had been relieved of her trouble, so I got two boxes and, after taking them I was again feeling fine, and always recommend H. & N. Pills to anyone complaining of heart trouble."

PRESBYTERY HAS ENDED

(continued from page 1)

A period of delay in the marriage of divorced persons.

The establishment of courts of domestic relationships for advisory purposes.

Training for parenthood in the school, church, home, particularly in the home.

War and Peace—We believe that a drastic measure of disarmament should be taken. Reduction of armaments to the size necessary for police purposes, should be the aim of the nations in conjunction with each other.

We urge that all possible support be given to form public opinion so as to strengthen the move for disarmament represented in the disarmament conference scheduled for 1932 at Geneva.

That the fellowship of reconciliation be favorably recommended to all our congregations, and that our people be encouraged to support it by active membership.

Evangelism—We recommend a program of visitation evangelism cover the whole Presbytery.

We believe that formation of groups, both formal and informal for prayer, study and discussion will bring greater results than can be anticipated.

We urge a widening of the field for the application of religious values to include all questions of social and economic morality as being the natural outcome of understanding the mind of Jesus.

We urge the widening of the field for the application of the individual to Jesus be emphasized in the pulpit and in general conversation.

We rejoice that the Kingdom of God movement has been opened in Canada, and we commend it to the close and sympathetic study of this presbytery.

Officers Elected

Election of officers, to take effect at the close of the annual conference.

ence, which takes place in Victoria on May 15 next.

Publications—Rev. W. Deans, Ocean Falls.

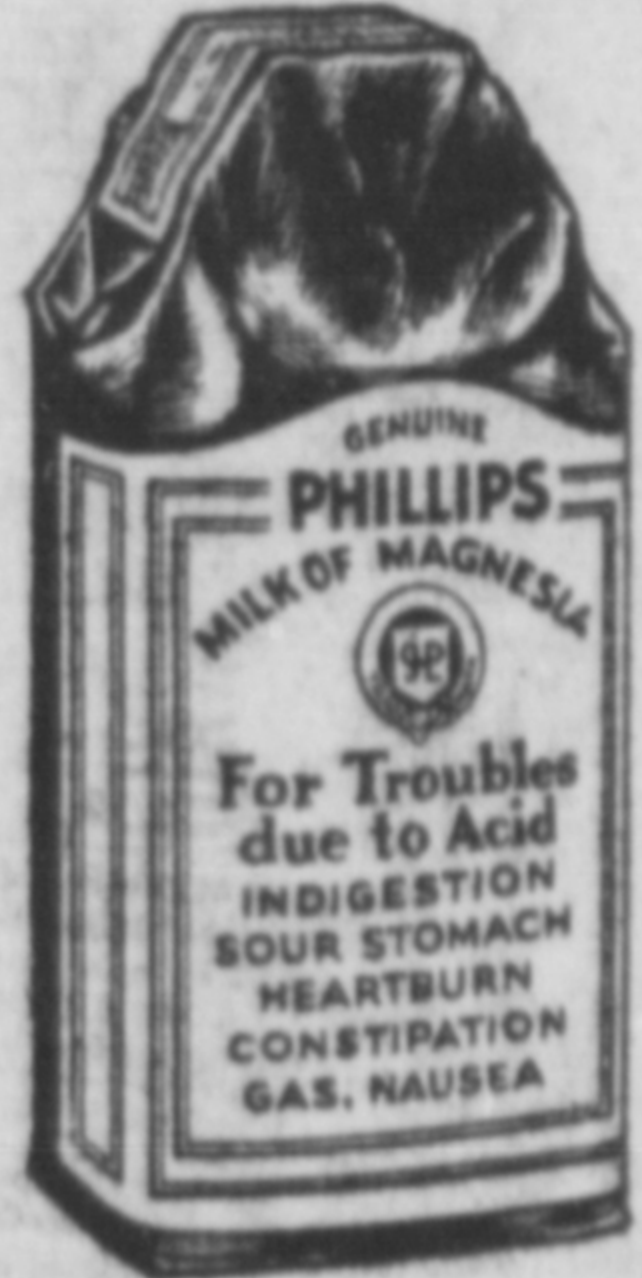

Pensions—Rev. W. H. Gibson, Bella Coola.

Reference was made to the improved police facilities on the Skeena River and Rivers Inlet, especially to the vigilance of the police during the fishing season. Last year there had been less drunkenness and consequently less loss of life. The secretary of the Social Service Committee had written to the Attorney-General of appreciation of his department in this connection. Hon. H. R. Pooley replied pointing out the difficulties of policing this north country, and was pleased to know that what had been done was having beneficial results.

When Food SOURS

About two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips' Milk of Magnesia—just a tasteless liquid, pleasant, efficient and harmless. But it kills excess acids. It has remained the standard with physicians for more than 50 years.

It is the quick method. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get genuine Phillips' Milk of Magnesia prescribed by physicians for over fifty years in correcting excess acids. 50c bottles—any drugstore. The genuine is always a liquid—it is never made in tablet form. So look for the name Phillips on wrapper and bottle. Made in Canada.

Girl Guides Tea
Very Successful

Over \$25 Cleared for Camp Fund
Yesterday Afternoon

A very successful tea and sale of home cooking on behalf of the First Company Prince Rupert Girl Guides, was held Thursday afternoon at the home of Mrs. Chris. Perry, Stork B'ock, Second Avenue.

The opening address by Mrs. R. L. McIntosh, president of the local committee of Girl Guides, was most appropriate and informative in showing the value of such an undertaking as a means of raising money for the Girl Guides' annual camp fund, the value of the training in the development of the mental, physical and spiritual life of the girls, and the ultimate benefit of Guide discipline and ideals to the community.

During the tea, vocal solos were given by Mrs. P. C. Miller and Mrs. E. Anderson, with Mrs. S. A. Kellback and Mrs. C. E. Cullin, accompanists.

The latter part of the program was in charge of the Guides, piano solos being rendered by Misses Maxine Heilbronner, Jean McLean, Venetia Peero, Maureen Kirkpatrick and Ruth Nelson, with a very pleasing vocal solo by Peggy Anderson.

Fortune-telling was conducted by Mrs. J. Bremner and provided endless amusement.

The home-cooking stall was in charge of Mrs. C. Brewerton, Mrs. P. C. Rayner and Mrs. J. A. Teng, with Captain W. Rogers and Mrs. A. J. Squires in command of the kitchen.

About one hundred ladies attended, and the sales of bread, candy, and cakes of every description known to culinary art were quickly disposed of, once more testifying to the efficiency of our ladies.

According to the cashier for the occasion, Miss Betty Capstick, over \$25 was realized for the camp fund from the event.

Chamber of Commerce to Take
Matter up With Government
At Victoria

At the meeting of the Chamber of Commerce last night, B. J. Melish presiding, it was decided to ask the Government of British Columbia to continue the work on the highway in view of local conditions. This action was taken following a statement by H. F. Pullen that the work was to close on March 14 unless more money was forthcoming.

Mr. Pullen explained that the closing down did not include the bridge work which, Mr. Gwyer had stated, would be continued, the money for it having been voted.

TRIBUTE
IS PAID

Many Friends Pay Respects to Late
Miss Margaret West at Funeral
This Afternoon

A great tribute was paid this afternoon at St. Andrew's Anglican Cathedral to the memory of the late Miss Margaret West, pioneer missionary woman of Northern British Columbia. The large church was filled completely with mourners desirous of paying their last respects to this woman who, over such a long period of years, had become so widely known and greatly revered by all those with whom she had come in contact.

The service was conducted by Very Rev. James B. Gibson, dean of the Cathedral, with Rev. Canon W. F. Rushbrook of St. Peter's Church, assisting. The choir was present and Mrs. E. J. Smith presided at the organ. Hymns, which had been favorites of the deceased, were "Holy, Holy, Holy," and "Unto the Hills." Flowers which adorned the altar were placed by the Woman's Auxiliary out of respect to the memory of deceased.

After the church service, interment was made in Fairview, a long procession following the cortege to the last resting place. Pallbearers, all old native friends of deceased in Metlakatla, were H. G. Clifton, William Leighton, Peter Haldane, Peter Ryan, William Leask and Henry Prevost.

The late Miss West, who died here Thursday morning after a lingering illness, had been a resident of this district since 1891. It was in that year that she left England and came out to Metlakatla as a missionary for the Church Missionary Society. She assisted for a while in the old Caledonian Hospital at Metlakatla, and was in charge of the school. Later on she took charge of the White Home which came later to be known as the Ridley Home. The late Miss West came from Metlakatla in 1914 to take up her residence in this city.

A devout church woman, the late Miss West could have given no more emphatic indication of her faith than in the early days when on a Sunday she would row the many miles from Metlakatla to the mouth of the Skeena River to hold services in the canneries.

The late Miss West was 72 years of age, having been born in Bombay, India, in 1869. She lived in England until she came to Metlakatla in 1891.

Malvern Calls To Drama-Lovers

As Malvern's beacon blazed forth the news of the Armada over the entire West Country, so from the little English town, nestling among the Worcester-shire hills hard against the Welsh border, word goes forth today of the keeping alive of the spark of the English drama, faithfully from year to year, by means of the town's Annual Festival. Under the direction of Sir Barry Jackson, this event has become a national institution, even as its companion festival at

George Bernard Shaw

Shakespeare's immortal Stratford-upon-Avon. This year's program includes known and unknown English productions dating from 1513 to 1931 and is dedicated to George Bernard Shaw, to whom Sir Barry is looking to produce a new play, as the principal item of the bill, as he did "The Apple Cart", at the original Malvern Festival. The festival runs from August 3 to 22, inclusive, consisting of three repeated weeks of plays and a series of lectures by well-known authorities. Malvern is only 128 miles from London, but Gloucester and Worcester, both cities of considerable size and offering first-class hotels, are within easy reach. The town itself is also making special arrangements for the comfort of visitors during festival time. In addition to this the whole section of England is studded with villages and small towns with

Sir Barry Jackson

good accommodation for travellers, and is criss-crossed with railways and excellent automobile roads in scenery of unsurpassed splendor. Sailings of the Canadian Pacific's "Empresses" and "Duchesses", from Quebec to Southampton and Montreal to Liverpool, respectively, make excellent connections with the various weeks of the festival at Malvern, and will include the palatial new "Empress of Britain", the biggest and fastest ship in service between British Empire ports.

BIG LOSS
IN STORM

Havoc Caused on New England
Coast By Gales and Floods

BOSTON, March 7:—Twice within twelve hours extremely high tides were turned into raging floods by a powerful shore gale to wreck tremendous damage along the New England coast. Damage from the flood is estimated at \$3,000,000. The loss was greatly increased by the second flood which came during the night.

More than two hundred persons were left homeless in Revere. Rising waters poured over sea walls and into the streets, demolishing homes. Thousands slept in unheated houses with from two to six feet of water in the cellars.

The affected towns included the north shore communities of Winthrop, Revere, Lynn and Nahane and Nantasket and Pemberton on the south shore.

row and hurried escape when the vessel started to go down.

The Prince Rupert had just completed a thorough overhaul at the local yard.

The accident to the Prince Rupert virtually cripples the coast service of the company for the time being. As the Prince Henry has a damaged propeller as a result of hitting a log this week while the Prince David is tied up with engine trouble, it was already necessary to cancel the tri-city service temporarily. Repairs to the Prince Henry will now be rushed with all possible speed so she may get back on her run. The Prince Charles, now in dry dock at Prince Rupert, will take over the double weekly sailing between Vancouver and Prince Rupert if the Prince Rupert is not able to assume the run on time.
