Quick COMFORT for fretful upset children

ALL children are subject to little upsets. They come at unexpected times. They seem twice as serious in the dead of night. But there's one form of comfort on which a mother can always rely; good old Castoria. This pure vegetable preparation can't harm the tiniest infant. Yet mild as it is, it soothes a restless, fretful baby like nothing else. Its quick relief soon sees the youngster comfortable once more, back to sleep. Even an attack of colic, or diarrhea, yields to the soothing influence of Castoria.

Keep Castoria in mind, and keep a bottle in the house—always. Give it to any child whose tongue is coated, or whose breath is bad. Continue with Castoria until the child is grown!
