

Pacific Milk is like Cream

Mrs. Edw. Schofield makes what she calls a baking powder biscuit, using Pacific Milk. She says it is an old, old recipe her mother gave her, only the original calls for cream.

Cream came to such a price that she tried Pacific Milk, and it makes this old recipe as well as fresh cream, and at less than half the price.

A. D. York, A. McConnell and Geo. Moffatt returned from the Estall River on last night's train. They have spent the summer on the Granby operations at that point and the work being shut down for the winter they are returning to the outside. There have been two feet of snow up that river which has been lately followed by heavy rain. A watchman will look after the diamond drill camp during the winter.
