RECORD OF LOCAL NURSE

Miss Edna Gilker made a good record in her professional examinations recently, coming third in all the province when she graduated. Prince Rupert people will congratulate Miss Gilker on her success, and Miss Harrison on the excellent teaching which undoubtedly helped to bring that success. Here again we find Prince Rupert holding her own well in competition in a department where brains and hard work are necessary factors.

BUY FROM PESSIMISTS

The real barrier today to business revival is the psychological power which expresses itself in a fear complex in the minds of thousands of business leaders, many more thousands of business men, not qualified as leaders, and SPENT DAY millions of working men and women, who, without courageous generalship to lead the way, naturally lack the necessary confidence to buy even many necessities of life, says H. N. Casson, editor of Efficiency Magazine.

In other words, the temporary breakdown of the business structure of 1929 has, developed hundreds of thousands of cripples who are prostrated by fear of the present

and a lack of confidence in the future.

To quote from Mr. Casson's article: "The Good Book a hundred delegates and their wives tells the story of a cripple whose weakness was more in returning from the annual convenhis mind than in his legs. The Master said to him, 'Rise, take up thy bed and walk.' He rose and walked and carried his bed."

No one expects business men to perform miracles, but we can put our feet on the ground and try to walk, thereby tional rest or recreation offered by setting an excellent example to the millions who will join the lodge and its exquisite surrounin the march of prosperity.

WIN FROM ELKS

Antlered Herd Goes Into Cellar as Result of 5-2 Defeat in Last Night's Game

LEAGUE STANDING

1.000

Andy Donald's Millionaires took the measure of the Elks in last night's baseball fixture at Acropolis Hill by a score of 5-2 and went into undisputed possession of second place while the Lodgemen were relegated to the cellar.

The Millionaires were out to win from the start and deserved full credit for the victory. Jack Nelson pitched for them and allowed but one hit, but was wild walking five men and hitting one. Chenoski was on the slab for the losers, his second game in two days, and allowed five hits and hit three batters. Nelson made a record for the season in strike-outs, chalking up 13 in the seven innings.

Farouhar opened the Millionaires first time at bat with a triple to centre which Stone misjudged. Nelson singled. Then Chenoski hit two batters in a row and it looked bad for him. He tightened up, however, and struck out Bury, and then Pete Holmes hit into a double play, Chenoski to A. Mitchell to W. Mit-

Elks had one bad inning in the third when they allowed three runs to score on five errors and no hits.

Farquhar was safe when Stone ROACH OFF misjudged his fly. Their other tally came in the fifth. Alex Mitchell walked and pilfered second, he went to third on a passed ball and scored when Comadina missed Stone's bounder.

It was the best game so far this season, and with the Millionaires all hitting the ball, they should give the Sons of Canada a tough game when they hook up on Thursday evening in the next game.

HAS ONE CHANGE

There was one change in the Big Six standing as a result of last evening's encounter between Elks and Millionaires, Bill Stone of the Elks dropped out of the picture while Redman, new outfielder for the Millionaires, went into a tie for first place honors with J. Comadina of the Sons of Canada. Redman made a triple and a single in three atammits and looks as though he might make some of the old boys top to keep up to him. Arseneau and A. Mitchell both dropped in the standing from first place, and Zarelli dropped from a .500 percentage to 333. Elmer Smith managed to keep up there with one hit in three trips to the plate.
