Palpitation Of The Heart Nerves Were All Gone

Miss Rose Griffin, Ashern, Man., writes:-"About five years ago I was troubled with palpitation of the heart, caused by a shock, and my read about Milburn's Heart and Nerve Pills and decided to try them. After I had taken three boxes I was feeling fine again. I think they are a wonderful remedy, and wish all others who suffered as I did would give them a trial." Chamber of Commerce Would Have Rate to Hazelton \$20 Instead of \$40 as at Present

At the meeting of the Chamber of Commerce last night the freight rate committee reported that the provincial government should be asked to secure the cutting in half of the rate between Prince Rupert and Hazelton. The present rate is \$40 each way and the committee recommended that the government should be asked to try to secure reduction to \$20. The committee consisted of G. W. Nickerson, Russel Smith, Harold McEwen and D. G. Stewart.

A reply to this effect will be sent to the department at Victoria.

OBJECTS TO NOM DE PLUME

Editor, Daily News:

note with a degree of gratitude that you do not intend to place me upon the blacklist, and in deference to the apparent ethicai code upheld in the newspaper world I would state that henceforth, I shall address such criticism your sole publication, fully expecting that you will agree to print the same, which, at all times shall be couched in gentleman! language.

Your nom de plume correspon dent however. I consider as almost beneath recognition, and in reply to "interested" would request him or her to come out into the lime- POLITICS light, append his or her actual POLITICS signature to the communication. 5.00 and I will undertake to answer any 50 query which in my judgment, will be of interest and utility to the 3.00 public at large.

Should "Interested" be sufficient-\$6.00 ly "interested," and have enough 9.00 red blood. I am willing to meet him or her on any public platform in no defense of myself, but rather 1.40 the principles, which I feel to b .02 worthy of support.

Until the time when he or she will comply with this request "In-'erested" may slake his or her hirt for knowledge in the methods most common to the side he apparently represents.

NEIGHBORS TALK

"I am employed in a theatre and it is a problem to make ends meet, as I help support my mother and sisters. I like to dress well but haven't very much to spend on clothes. To give the appearance of variety to my slender wardrobe I change the color of a dress or stockings as soon as the things become faded. I always use Diamond Dyes for the work-using them as dyes for dresses and as tints fer stockings. I have always gotten such perfect results that our neighbors talk about the great number of new things I have.
