INFANTS/CHILDREN

BABY HAS COLIC

COLIC comes suddenly. Your first intimation that something is wrong may be a warning cry in the night. If you have a bottle of Castoria handy you needn't worry, for a little of this pure vegetable remedy will soon have baby his happy self again; let him go back to sleep.

Castoria is always the sensible thing to give an ailing child. When a child is restless, fretful, with coated tongue, bad breath and lack of appetite, it is a mother's standby. Most mothers give Castoria an important place in their homes. Ready for sour stomach, constipation, or upset. When buying Fletcher's Castoria always look for Chas. H. Fletcher's signature on the wrapper. This identifies the genuine product.
