'Christ Jesus' Was Christian Science Subject

The subject of the Lesson-Sermon in all Christian Science churches and societies on Sunday was "Christ Jesus."

Among the Bible texts included in the lesson-sermon was the following from James 2:17: "Even so faith, if it hath not works, is dead being alone."

The lesson-sermon also included the reading of citations from the Christian Science text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, one passage being as follows: "To understand all our Master's sayings as recorded in the New Testament, sayings infinitely important, his followers must grow into that stature of manhood in Christ Jesus which enables them to interpret his spiritual meaning. Then they know how Truth casts out error and heals the sick. His words were the offspring of his deed, both of which must be understood." (page 350).

Interest Taken in Practice of Terrace Brigade

TERRACE, March 2—Quite a little stir of interest was evinced on Friday evening when the newly founded volunteer fire brigade turned out for its initial practice. The corporation had provided a hose equipment carrier which was duly housed in a small shelter near the Christy bakery. Constable McKenney was in charge and others present were C. Haugland, R. Beecher, R. deKergommeaux, W. Ungerer, and C. Cauthers, with J. McLaren as instructor. The brigade turned out smartly and quickly dealt with an imaginary fire at the Terrace Motors Garage Chris Haugland handling the hose and J. McLaren the hydrant end. Although not spectacular the result showed an immense improvement on past methods of dealing with fires in the district.

Costable J. H. McClinton arrived in the city on yesterday afternoon's train from Prince George to take over the duties of divisional clerk of the provincial police here, succeeding Corp. J. H. Smith, who has been transferred to Prince George.

The Weakening Agony of Piles (Haemorrhoids) Ended

Thousands Bless This Famous Herbal Ointment

Piles or hemorrhoids cause excruciating pain and often serious loss of blood. The famous Zam-Buk ointment is wonderfully soothing to the swollen veins and itching parts. Zam-Buk derives its healing and mildly astringent influence from herbal extracts of special value in this weakening and agonizing complaint. Zam-Buk has a wonderful record of success.

THE BEST OF PROOF

Mrs. R. L. Garber, of 2545 Ohio Avenue, Southgate, California, a nurse, writes as follows:—"My husband suffered from Piles for years, but a year ago they reached an acute stage and he could neither sleep nor attend his work. He had medical advice, tried all sorts of baths, hot packs, ointments and ointments which cost him hundreds of dollars without obtaining any relief. Finally a friend gave him a box of Zam-Buk; after application for one day he obtained a good night's rest. He continued the treatment and by the time he had finished a second box he was completely relieved of this agonizing ailment and able to resume his work."

Mrs. F. Barrett, Pioneer, Alberta, writes:—"We have used Zam-Buk ever since I was a young girl and I have never known it fail. My husband, who has been troubled with itching piles for years, says the soothing relief Zam-Buk brought was wonderful."

The unparalleled success of Zam-Buk lies in its original and valuable formula. Zam-Buk is compounded from certain herbal extracts of an extraordinarily healing, soothing and antiseptic nature. Zam-Buk soon stops all pain and itching. It gets at the root of such troubles as eczema, salt rheum, bad legs, ulcers, scald disease, poisoned sores, etc. and is also a fine ever-ready first-aid for injuries. Zam-Buk Ointment 50c. box, Zam-Buk Medicinal Soap 25c. cake.
