CITY WILL ASK FOR NEW GRANT

Delegation from G. W. V. A. Meets Council Asking for More Money for Housing.

A delegation from the Great War Veterans' Association made up of D. S. Cameron, S. D. Thompson, H. Wearmouth and J. Atcheson were present at last night's council meeting to present the request of the Association that the city endeavor to get an additional \$50,000 for the soldiers' housing scheme in Prince Rupert. D. S. Cameron, the secretary, spoke, telling that there were many returned men in the city who were finding it almost impossible to get accommodation for themselves and families. Thus the request of a further grant to the returned men for housing.

S. D. Thompson, another member of the delegation, spoke, assuring the council that if this grant should be obtained it would be used judiciously and carefully. With the present condition existing in Prince Rupert it was hard to think that this money was laying in Victoria. The getting of a further grant would be an accommodation to the city as well as to the returned men and it would keep a desirable class of residents in the city.

Mayor Explains.

The mayor replied to the delegation touching on the matter as compared with other cities. The city's grant, according to population would have been \$17,000 already \$75,000 had been obtained and used. Still there were many applications, so the city had applied for \$25,000 further, making up an even \$100,000. Each soldier, the mayor thought would have to be granted \$3,000 rather than \$2,500 after this to make it possible for them to build decent houses.

Pass Resolution.

After some discussion it was moved by Ald. Casey, seconded by Ald. Perry, that an additional grant of \$50,000 be asked for to augment the \$75,000 already granted. After this resolution had been passed Mr. Cameron in thanking the council said that the Association would not rest satisfied with this but that when it was used up the G. W. V. A. would go after the Federal Government until every man, who so desired, was housed.

FOR HAYS COVE CIRCLE

Dear Sir:-

As the property owners of Prince Rupert are asked to vote on Wednesday, November 26th (tomorrow), on a bylaw authorizing the construction of a 12-room school at an expenditure of \$100,000.

A choice of sites is available—namely, Hays Cove Circle and Acropolis Hill.

The people will vote on the site entirely independent of the bylaw. Since no public meetings have been held, and arguments have been put forward in favor of the Acropolis site, I would respectfully ask that you publish a few facts with reference to the respective locations.

I propose that the building be erected at Hays Cove as a combined high school and public school, and serve the same purpose as does Borden Street school at present.

Hays Cove site was originally set apart by the Provincial Government for educational purposes.

Borden Street School would then be used as an 8-room public school, which would serve the western portion of the city until such time as Section Two commands a public school. By this arrangement all parts of the city would be amply provided for.

Hays Cove site is situated in Section Six and, therefore, central on bus line.

Fire protection, which is imperative in schools, will be safer and cheaper at Hays Cove, as it is proposed to build tanks, and install machinery to pump water at Acropolis.

Acropolis site overlooks an undesirable locality.

The storms of late again remind us that little children should not be forced to climb the big Acropolis Hill twice a day to school.

Extra charges for hauling coal to Acropolis Hill site would be a

permanent one, to say nothing of hauling material for construction.

Before school construction started at Acropolis it would be necessary to build a roadway.

Hays Cove site is ours for educational purposes. Difficulties have already arisen in attempting to float debentures for Acropolis site, as it is leased property.

Respectfully yours,
J. C. McLENNAN,
School Trustee.

SCHOOL GIRLS PLAY BETTER THAN BOYS

Seniors Attending Game Say That Juniors and Intermediates Could Well Copy Them.

Decidedly the best game of the evening at the Agricultural Hall last night was that played between the girls of the public and high school, in which the latter won by a score of 10-3. The high school girls played exceedingly good basketball and their passing, especially in the second half, was far better than their opponents. Reckless throwing was a feature of the public school girls' game that kept them back. The passing between Margaret Lindsay and Caroline Mitchell, of the high school team, was worth seeing and copying. Christina McLennan and Margaret Graham did good work for the losers.

W. E. Willisroft refereed and the teams lined up as follows:

High School—Marjorie Roberts, Annie Kelly, Caroline Mitchell, Mary McLennan and Margaret Lindsay.

Public School—Margaret Graham, C. Dingwall, Marjorie Carter, Christina McLennan and Myra Harvey.

POOR EXHIBITION BY INTERMEDIATE LEAGUE

The Colts and Hearts, of the Intermediate Basketball players, met last night in a very unbalanced game when the former won by a 10-1 score. Some of the losers showed very little skill at the game and made very poor attempts to support the better players. A box of chocolates was the trophy of the game. Following were the players: Colts—Clapp, Smith, G. Mitchell, Hill and Roberts. Hearts—Arthur, Duncan, Graham, Black and Davidson.

If the city bylaws pass tomorrow a special meeting of the council will be held on Friday night to finally adopt them.

COMMON DISEASES OFTEN DANGEROUS

Chief Among These is the Ordinary Cold in the Head—Prompt Treatment Required.

Many people think a cold in the head is something which comes once or twice a year, and that it will always work itself off without attention.

No greater mistake could be made. A cold in the head will sow the seeds of acute disease unless it is treated promptly. Even when the cold does work off itself it leaves the patient weakened and liable to an attack from disease.

When a cold in the head appears start work at once. Keep the system open. Check the fever which shows, especially toward night. Alleviate the soreness which develops in the muscles. Tone up the system to fight the after weakness.

The drugs which will do this work are contained in Grip Fix, a preparation which has been used for colds in the head for years, and with wonderful results. There is nothing in it which would not be approved by any physician and the contents are plainly noted on every box. It is prompt in its work, relieving a bad cold in a night and a case of Grippe in 48 hours or so.

Have a box of Grip Fix in the house. It comes in capsule form and sells for 35 cents per box. It is on sale at all druggists.

NO EXPERIENCE NECESSARY

"HEART OF HUMANITY" A WONDERFUL PICTURE

General Opinion of It is That Nothing Like It Has Been Seen Here.

The general opinion of those who attended the Westholme last night was that "The Heart of Humanity" was the biggest film yet shown in Prince Rupert. It is a Canadian picture and yet it is a wide in its appeal as the world.

When it was shown in Winnipeg the Free Press said of it: "It rivals any previous motion picture shown here. Its Canadian appeal makes it a peer to 'Birth of a Nation' and 'Hearts of the World.'"

The Hamilton Herald said, speaking of it: "One of the three best films ever seen here, one of the strongest dramas screened, a real Canadian picture."

Ald. Kirkpatrick and Ald. Barrie are to sit on the Court of Revision which will have its sessions on December 10 to go over the voters' list.
