promised you Bargains. Well, here they are! Space only allows And when I say "Sell," I mean SELL!! I have just come from Vaned it to a new and better location. I have rearranged the entire like Pikers! stock and then have gone through the establishment and marked Remember, I am in absolute charge. I MAKE THE PRICES! I do the price of every article right down to bedrock!

Bargain Value.

This is all new and saleable merchandise. But the stock is overloaded in nearly all lines, while some few lines are short and broken. Therefore I am going to SELL every item!

me to list a very few of the thousands I am offering in this won- couver, where the greatest sales in the history of that city are derful sale. I have started out to completely Reorganize and Mod- now under way, and can truthfully assure you that, at the prices ernize the business of Montreal Importers. To do this I have mov- I have marked these goods, they make those southern sales look

not ask you to take my word, when I say I am offering you the Some of these goods are actually priced at 25% less than cost! Greatest Bargains you have ever seen! All I ask is that you read Former selling prices and cost marks have been disregarded. I these prices, come into the store, shop around, see the "Valuehave cut everything down to below present-day values, and feel plus" prices, plainly marked on every article. If you will do this, I certain that at the price quoted each and every item is an actual am certain you will convince yourself that this is truly a sale from which history will be dated!

Yours For Bigger and Better Bargains! V. EARLE MacCARTER, Adjuster In Charge.
